(iii) the person has not withdrawn this consent before the notice is given to the relevant market operator.

(12I) If the note issuer gives a notice under paragraph (12G)(e) in relation to convertible notes, each financial report or directors' report required under section 298 of the note issuer or if the note issuer is a subsidiary of a NOHC, the NOHC, in relation to a financial year during which those convertible notes were on issue must contain the following information:

(a) the:

(i) number of convertible notes in that class that have not converted as at the end of the financial year; and

(ii) number of note issuer securities or NOHC securities into which the convertible notes will convert; and

(iii) price (if any) to be paid on conversion; and

(iv) circumstances in which conversion may occur; and

15-0632

(b) the remaining liability of the note issuer or NOHC to make payments under convertible notes in that class as at the end of the financial year; and

(c) the average conversion price (if any) paid for any convertible notes in that class that were converted during the financial year and the number of note issuer securities or NOHC securities into which they converted; and

(d) any other matters relating to the convertible notes that holders of ED securities of the body (***reporting body***) providing the financial report would reasonably require to make an informed assessment of the financial position of the reporting body and its prospects for future financial years.

(12J) The financial report and directors' report may omit material that would otherwise be included under paragraph (12I)(d) if it is likely to result in unreasonable prejudice to:

(a) the reporting body; or

(ii) any further orders under section 340 which relieve Westpac, or any person as director or auditor of Westpac, from the requirements of subsection 323D(3)); and

(iii) any further declarations under paragraph 741(1)(b) which are granted due to either:

(A) the existence of an order under section 340 which relieves Westpac from the requirements of subsection 323D(3), requiring an amendment to the definition of 'continuously quoted securities' as defined in section 9 as it relates to section 340; or
