Hi s 22 [redacted]
Thank you for your email.
In regards to your request, could you advise what you meant by "External Documents"? Were the documents provided by an external party in response to notice/voluntarily produced? If so, could you save a copy of the email in which the documents were provided into the evidence mailstore, and also advise the notice number if applicable? This will allow us to maintain the chain of custody in which the documents were produced.

Let me know if you have any questions.

Kind Regards,
