Hi s 22,
By way of update, we have now received a revised draft of the bill for the FEG reforms, incorporating some of the changes raised during consultation.
Please note this draft is still a 'work-in-progress', and we will be instructing on further changes shortly. However, we wanted to provide ASIC with an opportunity to comment on the revisions, noting in particular the changes to the:
s 22

s 42, s 47C, s 47E (d)

We welcome any further feedback you have. If possible, we would appreciate your feedback on the revisions by **COB Monday**, so we can incorporate any further issues in the next set of drafting instructions.
Please contact me if you have any queries or wish to discuss.
Many thanks and Kind Regards,

Hi s 22 and colleagues,

Many thanks to s 22 for participating in the FEG roundtable in Melbourne last week.

We just wanted to touch base to see whether ASIC has any comments it would like to provide on the FEG Exposure Draft?

In terms of timing, the formal consultation period closes on 9 July, and we are aiming to move things very quickly after that (as we are aiming for the legislation to be introduced in the second week of August). As such, we would appreciate any feedback you have next week.

Please call me if you have any queries or wish to discuss.

Thank you s 22

Yes, I have seen this and reviewing together with s 22 of IP team and s 22 I've also briefly discussed with s 22

It may be necessary to discuss next week. If so, given other commitments, the earliest date would be Thursday if that is convenient.

Kind regards

As previously flagged – we welcome your feedback on the ED, s 22 .

Dear s 22 ,

Thank you for your time earlier.

As discussed, please find **attached** the Exposure Draft Bill and draft Explanatory Memorandum in relation to the measures to address corporate misuse of the Fair Entitlements Guarantee. As mentioned, these are currently before the Minister and may be subject to change. We anticipate releasing the final versions for public consultation next Wednesday 6 June 2018 and will let you know when this happens (and will provide you with the final versions).

We welcome ASIC's comments on the draft legislation and are very happy to meet with you to discuss these

over the coming weeks. As I mentioned, the formal public consultation period will be four weeks (currently scheduled to end on 3 July 2018), with a view to introducing the legislation in the Spring T sitting (first or second week of August).

Please contact me if you have any queries or wish to discuss.

Kind Regards,
