Importance: High

Hi s 22

As discussed, the MSBAT has requested some amendments to the Government response to the Insolvency in the Construction Industry Senate Committee report.

I've attached a copy of the latest version of the response (incorporating other changes made by the Office), noting the comments received requesting additional information.

I'm happy to discuss further. The Office would like a revised version by COB today so I would appreciate your **input by 4pm today.**

Thanks
