To prevent further clients from falling victim to these operators, ASIC recommends that your financial institution establish a process whereby any future fund transfer requests to the account identified above are immediately detected and blocked.

Further, and importantly, you may wish to undertake internal searches to identify any clients that may have transferred funds into the above bank account and contact them directly, to bring to their attention the issues raised above and notify them that ASIC considers Moer Futures Index to be part of an international scam and that no further funds should be forwarded to the accounts.
