Hello Alan
Sorry to text out of the blue, but, CONGRATULATIONS and looking forward to you coming on board. I know you won't start for a little while but would love to have a catch-up before you start if possible and timing can work for you. Coffee etc.

kind regards.
Warren Day CEO at ASIC.

Thanks Warren - I'm looking forward to coming on board. I'm about to head off on 4 weeks leave but will be back from 25 September, so let's touch base then and find a time.

Enjoy leave Alan! Speak when your return. Safe travels. W
