Hi Zak,

Thanks for reaching out. Therese has been in touch about some paperwork so I think I'm good for now but will email you if I need anything.

I look forward to learning more about your role when I get there - it's a really interesting portfolio to have together in one area.

Hi Alan,

I know you have some time before you join ASIC and you will have a lot of support with your onboarding however I wanted to also send you a warm welcome. I joined ASIC just over 18 months ago and am very happy to make myself available if you need anything.

Have a great weekend.

Thanks s 22

That all seems pretty clear but I'll let you know if I have any questions. I'll get the forms back to you in plenty of time before I start.
