**Australian Securities and Investments Commission
Corporations Act 2001 - Paragraph 601QA(1)(a) – Exemption**

Enabling legislation

1. The Australian Securities and Investments Commission (*ASIC*) makes this instrument under paragraph 601QA(1)(a) of the *Corporations Act 2001* (the *Act*).

Title

2. This instrument is ASIC Instrument 12-1484.

Commencement

3. This instrument commences on 8 February 2012.

Exemption

4. Abacus Funds Management Limited ACN 007 415 590 (*AFML*) in its capacity as the responsible entity of the Abacus Trust ARSN 096 572 128 (*AT*) and the Abacus Income Trust ARSN 104 934 287 (*AIT*) does not have to comply with paragraph 601FC(1)(d) of the Act, to the extent that it requires the responsible entity of a registered scheme to treat members who hold interests of the same class equally.

Where this instrument applies

5. The Stapling Transaction is implemented on terms that allow AFML to determine that a Foreign Securityholder is to be excluded from participating in the Stapling Transaction.
6. AFML reasonably concludes and documents its conclusions in writing that:
 - (a) it would be unlawful (under the laws of the relevant foreign jurisdiction) for Foreign Securityholders to be offered or issued interests in Restructured ASPT (as a component of Restructured ASF Stapled Securities); or
 - (b) it would be unduly onerous on AFML for Foreign Securityholders to participate in the Stapling Transaction having regard to:
 - (i) the number of holders of ABP Stapled Securities in that jurisdiction;
 - (ii) the number and value of ABP Stapled Securities held by Foreign Securityholders in that jurisdiction; and
 - (iii) the cost of and process for seeking advice as to the requirements for doing so in relation to those jurisdictions and/or the cost of complying with legal requirements and the

12-1484

requirements of any relevant regulatory authority applicable to Foreign Securityholders participating in the Stapling Transaction in that jurisdiction; and

- (c) having regard to the rights and interests of all members of AT and AIT (the *Trusts*), it would be in the best interests of all members of the Trusts to treat Foreign Securityholders as set out in paragraph 6.

Where AFML has determined that a holder of ABP Stapled Securities is a Foreign Securityholder, ABP Stapled Securities are transferred to Linwar Securities Pty Limited ACN 103 183 606 or at its discretion to its related entity ANZ Securities (Nominee) Pty Ltd ACN 008 550 329 and are stapled to Restructured ASF Stapled Securities to sell on ASX or via a bookbuild, with the proceeds of such sales being remitted to the Foreign Securityholder on the terms described in the Explanatory Memorandum.
