**Australian Securities and Investments Commission
Corporations Act 2001 - Subsection 601QA(1) –
Exemption and Revocation**

Enabling legislation

1. The Australian Securities and Investments Commission (*ASIC*) makes this instrument under subsection 601QA(1) of the *Corporations Act 2001* (the *Act*).

Title

2. This instrument is ASIC Instrument 11-1355.

Exemption

3. ASIC exempts IOOF Investment Management Limited ACN 006 695 021 (*IIML*) in its capacity as the responsible entity of the IOOF Global One Fund #41 ARSN 100 903 982 (the *Scheme*) from paragraph 601FC(1)(d) of the Act in relation to allowing IIML to pay some or all of the net proceeds of the winding up of the Scheme to members.

Where this instrument applies

4. The constitution of the Scheme allows IIML to pay some or all of the net proceeds of winding up of the Scheme to a member.
 5. IIML is satisfied that:
 - (a) the member has experienced hardship or is likely to experience hardship if the member is not paid their entitlement to the net winding up proceeds on a preferential basis; or
 - (b) where the member is an operator—a person (*instructor*) who has asked the operator to request IIML to pay the instructor's entitlement to the net winding up proceeds on a preferential basis has experienced hardship or is likely to experience hardship if the payment is not made on a preferential basis; or
 - (c) where the member is dead—a beneficiary of the estate has experienced hardship or is likely to experience hardship if the executor or administrator of the estate is not allowed to receive the payment of the entitlement to the net winding up proceeds on a preferential basis.
 6. A decision by IIML to allow a hardship payment is based on the following criteria and conditions:
-

	<u>Hardship Withdrawal Criteria</u>	<u>Condition</u>
1	Severe Financial Hardship	The amount requested is needed to enable the person to meet reasonable and immediate living expenses for themselves and/or their dependants.
2	Unemployment	For the avoidance of doubt, where the person has not been in gainful employment for a period of at least 3 months and has no other means of financial support (except government assistance, such as unemployment benefits).
3	Compassionate Grounds	<p>The amount requested is needed by the person (and/or the person's dependant):</p> <p>(a) to help pay for medical costs (and transport costs) required to treat a life-threatening illness or injury, to alleviate acute or chronic pain, or to alleviate an acute or chronic mental disturbance where 2 registered medical practitioners (at least one of whom must be a specialist) have provided certified statements confirming the medical condition to this effect;</p> <p>(b) to fund specific modifications (to a principal place of residence or vehicle) that are necessary to accommodate special needs arising from a severe disability;</p> <p>(c) to assist with funeral and other expenses related to the death of the person or the person's dependants;</p> <p>(d) to enable the person to provide care for another person who is dying from a terminal illness, including home care;</p> <p>(e) to prevent the person's mortgagee (lender) from selling the person's principal place of residence;</p> <p>(f) to meet a binding financial obligation entered into by the person prior to IIML's decision to terminate the Scheme; or</p> <p>(g) to meet expenses in other cases consistent with grounds mentioned in paragraphs (a) to (f),</p> <p>where the person does not otherwise have the financial</p>

		capacity to meet the expense.
4	Permanent Incapacity	Where the person has ceased gainful employment by reason of mental or physical ill-health and the responsible entity is satisfied that the person is unlikely ever again to engage in gainful employment of the type for which the person is reasonably qualified by education, training or experience.

7. IIML must not allow a hardship payment to be made unless IIML is satisfied that:
- (a) following that payment, the scheme property would include sufficient liquid assets to enable IIML to satisfy its obligations under the constitution of the Scheme in relation to the winding up of the Scheme; and
 - (b) satisfying the request for a hardship payment:
 - (i) would not result in more than 4 hardship payments for any instructor or beneficiary (as applicable) in any calendar year; and
 - (ii) would not result in the total amount of hardship payments for any member, instructor or beneficiary (as applicable) in any calendar year exceeding \$100,000; and
 - (c) any hardship payment would not exceed the specific amount the subject of the request for payment in respect of the hardship of the member, instructor or beneficiary (as applicable); and
 - (d) where subparagraph (5)(b) applies—any hardship payment to an operator will be paid to the instructor after deduction of any fees and charges payable to the operator; and
 - (e) where subparagraph (5)(c) applies—any hardship payment to an executor or administrator of the estate will be paid to the beneficiary after deduction of any fees and charges payable to the executor or administrator.
8. If a constitution includes a provision permitting the responsible entity to exercise a discretion in relation to a hardship payment:
- (a) IIML or its nominee must act reasonably in exercising a discretion covered by paragraph (6);
 - (b) IMIL must ensure that the records which it keeps under section 988A document how and why a decision to permit or refuse a request for a hardship payment; and
 - (c) IMIL must retain the documents covered by subparagraph (8)(b) for 7 years after they cease to be current.

Interpretation

In this instrument:

another person, when used in paragraph (d) of item 3 in the table in paragraph (6), means any natural person;

hardship payment means a payment by IIML of some or all of the net proceeds of winding up the Scheme to a person in priority to other members of the Scheme where IIML is satisfied that one of subparagraphs (a), (b) or (c) of paragraph (5) of this instrument applies;

operator means a person who is a member of the Scheme in its capacity as responsible entity or custodian of a registered scheme, a life company, trustee of a trust, trustee or custodian of a superannuation entity within the meaning of the *Superannuation Industry (Supervision) Act 1993*, trustee of a self-managed superannuation fund within the meaning of the *Superannuation Industry (Supervision) Act 1993* or provider or acquirer in relation to a custodial arrangement as defined in section 10121A; and

person means:

- (a) a member of a Scheme;
- (b) where the member of a Scheme is an operator—a person who has asked the operator to make a request for a hardship payment;
- (c) where the member of a Scheme is dead—a person who is a beneficiary of the estate of the member.
