4. in the case where the ING Employee Share Scheme may involve the issue of shares being shares which are represented by BDRs, the Issuer must take reasonable steps to ensure that the number of shares the subject of the offer when aggregated with:
- (a) the number of shares in the same class which would be issued were each outstanding offer with respect to shares under the ING Employee Share Scheme to be accepted; and
 - (b) the number of shares in the same class issued during the previous 5 years pursuant to the ING Employee Share Scheme or any other employee share scheme extended only to eligible employees;

 - (d) the Trustee must not levy any fees or charges for operating and administering the trust, either payable directly by the eligible employees or out of the assets of the trust except as provided in Article 10 of the Trust Conditions; and
 - (e) the Trustee must provide a copy of the Trust Deed to ASIC prior to or at the same time that a copy of the offer document is provided to ASIC in accordance with this instrument; and
 - (f) the Issuer must ensure that the Trust Deed contains covenants binding the Trustee and its agents, if any, to the effect that an eligible employee possesses substantially the same rights in respect of the shares to which the BDRs acquired by an eligible employee under an eligible offer relate as if they were the legal owner of the shares, including the right to:
 - (i) direct the Trustee how the voting rights attaching to the shares shall be exercised, either generally or in any particular case; and
 - (ii) receive the income deriving from the shares, including dividends declared by the Issuer in respect of those shares;
