Schedule A

1. The constitution of the Scheme allows NMFM to pay some or all of the net proceeds of winding up of the Scheme to a member.
2. NMFM is satisfied that:

11-0934

- (a) the member has experienced hardship or is likely to experience hardship if the member is not paid their entitlement to the net winding up proceeds on a preferential basis; or
 - (b) where the member is an operator—a person (*instructor*) who has asked the operator to request NMFm to pay the instructor's entitlement to the net winding up proceeds on a preferential basis has experienced hardship or is likely to experience hardship if the payment is not made on a preferential basis; or
 - (c) where the member is dead—a beneficiary of the estate has experienced hardship or is likely to experience hardship if the executor or administrator of the estate is not allowed to receive the payment of the entitlement to the net winding up proceeds on a preferential basis.
3. A decision by NMFm to allow a hardship payment is based on the following criteria and conditions:

	<u>Hardship Withdrawal Criteria</u>	<u>Condition</u>
1	Severe Financial Hardship	The amount requested is needed to enable the person to meet reasonable and immediate living expenses for themselves and/or their dependants.
2	Unemployment	For the avoidance of doubt, where the person has not been in gainful employment for a period of at least 3 months and has no other means of financial support (except government assistance, such as unemployment benefits).

4	Permanent Incapacity	Where the person has ceased gainful employment by reason of mental or physical ill-health and the responsible entity is satisfied that the person is unlikely ever again to engage in gainful employment of the type for which the person is reasonably qualified by education, training or experience.
5	Aged care	The amount requested is needed to enable the person to make payments required to be made to secure, or remain in, aged care.

Schedule B

1. NMFm must not allow a hardship payment to be made unless NMFm is satisfied that:
 - (a) following that payment, the scheme property would include sufficient liquid assets to enable NMFm to satisfy its obligations under the constitution of the Scheme in relation to the winding up of the Scheme; and
 - (b) satisfying the request for a hardship payment:
 - (i) would not cause the total amount of hardship payments to exceed the hardship payment dollar limit; and

11-0934

- (c) any hardship payment would not exceed the specific amount the subject of the request for payment in respect of the hardship of the member, instructor or beneficiary (as applicable); and
- (d) where subparagraph (2)(b) of Schedule A applies - any hardship payment to an operator will be paid to the instructor after deduction of any fees and charges payable to the operator; and

For example, the trustee of a superannuation entity or self managed superannuation fund must comply with requirements under the *Superannuation Industry (Supervision) Act 1993*.

- (e) where subparagraph (2)(c) of Schedule A applies - any hardship payment to an executor or administrator of the estate will be paid to the beneficiary after deduction of any fees and charges payable to the executor or administrator.

2. For the purposes of paragraph (1)(b):

(a) the *hardship payment dollar limit* is:

- (i) if the hardship payment request is an aged care payment request—\$300,000 for any member, instructor or beneficiary (as applicable) in any calendar year;
- (ii) if the hardship payment request is not an aged care payment request:
 - (A) \$100,000 for any member, instructor or beneficiary (as applicable) in any calendar year (not including any aged care payment requests that have been satisfied in that same calendar year); and
 - (B) where one or more aged care payment requests have already been satisfied in the calendar year—\$300,000 for any member, instructor or beneficiary (as applicable) in any calendar year.

(b) the *hardship payment number limit* is:

- (i) if the hardship payment request is an aged care payment request and where 4 hardship payment requests, which were not aged care payment requests, have already been satisfied in the

11-0934

calendar year—5 hardship payments for any member, instructor or beneficiary (as applicable) in any calendar year;

- (ii) otherwise—4 hardship payments for any member, instructor or beneficiary (as applicable) in any calendar year.

3. If a constitution includes a provision permitting the responsible entity to exercise a discretion in relation to a hardship payment, NMFm must comply with paragraphs (4) to (6).
4. NMFm or its nominee must act reasonably in exercising a discretion covered by paragraph (3).

Note: The responsible entity is also subject to its general duties under section 60IFC including the duty to act in the best interests of the members of the scheme.

5. The responsible entity must ensure that the records which it keeps under section 988A document how and why a decision to permit or refuse a request for a hardship payment.
