- (b) If an operator fails to complete that transfer within the 9 month period, the operator must cause the transfer of the management rights to a replacement operator named in a written notice given by a majority of scheme members, at a price specified in the notice.
- (c) A transfer referred to in paragraphs (a) or (b) must be done as soon as practicable, but if there is a body corporate for the real property to which the scheme relates, there must be a reasonable time for members of the body corporate to consider whether to make a decision referred to in paragraph 2(b) unless the body corporate has consented to the transfer.

2. *Consent of body corporate to new care-taking arrangements*

- (a) If an operator receives a notice under paragraph 1(b) of this Schedule, the operator must advise all body corporate members of the name of the person to whom the transfer is to be made.
- (b) Unless the body corporate has consented to the transfer, an operator does not have to transfer the management rights to the person named in the notice described in paragraph 1(b) of this Schedule if a majority of body corporate members state in writing to the operator that the person should not be engaged by the body corporate to perform care-taking functions.
- (c) If a majority of body corporate members make a decision referred to in paragraph 2(b) of this Schedule, a majority of scheme members may then at any time name a replacement operator by a written notice, to whom the operator must transfer the management rights at a price specified in the notice and the notice will be taken to be given in accordance with paragraph 1(b) of this Schedule.
- (d) This paragraph 2 does not apply if the body corporate or a majority of body corporate members agree in writing to the transfer to the person named in a notice under paragraph 1(b) or 2(c) of this Schedule before that notice is given to the operator.

- (c) the highest bona fide amount tendered (excluding any tender by the operator or its associates) for the management rights following reasonable efforts to market the property for at least 60 days.

4. *Voting*

- (a) In determining if there is a majority of scheme members or body corporate members, the operator and its associates and any person nominated as a replacement operator and associates of that person must not be counted.
- (b) For scheme members, a majority is based on their entitlement to vote at body corporate meetings if there is a body corporate for the property to which the scheme relates, and otherwise each member shall have one vote.
- (c) For body corporate members, a majority is based on their entitlement to vote at body corporate meetings.
- (d) A scheme member or a body corporate member makes a decision by signing a document that sets out the decision.

5. *Costs*

- (b) If a member incurs any reasonable valuation, auction or marketing costs under paragraph 5(a) of this Schedule that member is entitled to be reimbursed out of the price payable by any person nominated by the members as transferee of the management rights when the price is paid to the operator.
