3. in the case where the Plan may involve the issue of shares in TOWER (including as a result of the exercise of an option) — TOWER must take reasonable steps to ensure that the number of shares the subject of the Eligible Offer or to be received on exercise of an option when aggregated with:
  - (a) the number of shares in the same class which would be issued were each outstanding offer with respect to shares, units of shares and options to acquire unissued shares, under the Plan to be accepted or exercised; and

- (b) the trustee causes proper written financial records to be maintained in respect of the activities of the trust and cause those records to be audited annually and made available for inspection by the beneficiaries at an office of the trustee or a place of business of TOWER during normal business hours or such other time as is agreed with beneficiaries; and
- (c) the trustee ensures that each share to which a unit held by a beneficiary relates is identified in the written financial records as being held on account of that beneficiary; and
- (d) the trustee does not levy any fees or charges for operating and administering the trust, either payable directly by the beneficiaries or out of the assets of the trust; and
- (e) except as expressly provided by the trust deed, a beneficiary has the capacity to authorise the trustee to sell at or above the current market price the shares to which he or she is entitled to under the deed; and
- (f) the trustee provides a copy of the trust deed to ASIC at the same time as a copy of the Offer Document is provided to ASIC in accordance with this instrument; and
- (g) the trust deed contains covenants binding the trustee and their agents, if any, to the effect that a beneficiary possesses substantially the same rights in respect of the shares to which the units of shares they hold relate as if they were the legal owner of the shares, including the right to:
- (i) direct the trustee how the voting rights attaching to the shares shall be exercised, either generally or in any particular case; and

    - (b) If an operator fails to complete that transfer within the 9 month period, the operator must cause the transfer of the management rights to a replacement operator named in a written notice given by a majority of scheme members, at a price specified in the notice.
    - (c) A transfer referred to in paragraphs (a) or (b) must be done as soon as practicable, but if there is a body corporate for the real property to which the scheme relates, there must be a reasonable time for members of the body corporate to consider whether to make a decision referred to in paragraph 2(b) unless the body corporate has consented to the transfer.
  2. *Consent of body corporate to new care-taking arrangements*
    - (a) If an operator receives a notice under paragraph 1(b) of this Schedule, the operator must advise all body corporate members of the name of the person to whom the transfer is to be made.
    - (b) Unless the body corporate has consented to the transfer, an operator does not have to transfer the management rights to the person named in the notice described in paragraph 1(b) of this Schedule if a majority of body corporate members state in writing to the operator that the person should not be engaged by the body corporate to perform care-taking functions.
    - (c) If a majority of body corporate members make a decision referred to in paragraph 2(b) of this Schedule, a majority of scheme members may then at any time name a replacement operator by a written notice, to whom the operator must transfer the management rights at a price specified in the notice and the notice will be taken to be given in accordance with paragraph 1(b) of this Schedule.
    - (d) This paragraph 2 does not apply if the body corporate or a majority of body corporate members agree in writing to the transfer to the person named in a notice under paragraph 1(b) or 2(c) of this Schedule before that notice is given to the operator.

4. *Voting*

- (a) In determining if there is a majority of scheme members or body corporate members, the operator and its associates and any person nominated as a replacement operator and associates of that person must not be counted.
- (b) For scheme members, a majority is based on their entitlement to vote at body corporate meetings if there is a body corporate for the property to which the scheme relates, and otherwise each member shall have one vote.

- (d) A scheme member or a body corporate member makes a decision by signing a document that sets out the decision.

- (b) If a member incurs any reasonable valuation, auction or marketing costs under paragraph 5(a) of this Schedule that member is entitled to be reimbursed out of the price payable by any person nominated by the members as transferee of the management rights when the price is paid to the operator.
