(b) after subsection 601KE, insert:

“601KEA Hardship Withdrawals

Power to allow withdrawal in case of member hardship

(1) The responsible entity of a registered scheme may allow a member to withdraw from the scheme in accordance with a provision of the scheme’s constitution that provides for the member to have a right to withdraw when the responsible entity is satisfied that the member has experienced hardship or is likely to experience hardship or, where the member is an operator, a person who has asked the operator (whether directly or through another one or more operators) to exercise a right to withdraw has experienced hardship or is likely to experience hardship if the member is not allowed to withdraw (a *hardship withdrawal*).

(1A) In this section an *operator* means a person who is a member of the scheme in its capacity as responsible entity or custodian of a registered scheme, a life company, trustee of a trust, trustee or custodian of a superannuation entity within the meaning of the *Superannuation Industry (Supervision) Act 1993*, trustee of a self-managed superannuation fund within the meaning of the *Superannuation Industry (Supervision) Act 1993* or provider or acquirer in relation to a custodial arrangement as defined in section 1012IA.

09-00168

(2) The responsible entity may only allow one hardship withdrawal because of the hardship of a person, and must not allow a hardship withdrawal unless the responsible entity is satisfied that:

- (a) following that withdrawal the scheme property would include sufficient liquid assets for the day to day operation of the scheme; and
- (b) satisfying the hardship withdrawal request would not breach the person's hardship withdrawal cap; and
- (c) any amount paid on withdrawal to an operator will be paid to the person who asked the operator to make a hardship withdrawal request after deduction of any fees and charges payable to the operator.

Note: In making any payment to a person on whose behalf a request for hardship withdrawal has been made, an operator must comply with any obligations under the terms of the relevant trust or arrangement under which it acts and other applicable laws. For example the responsible entity of a registered scheme must comply with Part 5C.6 as modified by any relief applicable to that scheme and the trustee of a superannuation entity or self managed superannuation fund must comply with requirements under the Superannuation Industry (Supervision) Act 1993.

(3) For the purposes of this section the *hardship withdrawal cap* for a person is the lesser of:

- (b) \$20,000 plus 50% of the balance of the person's interest in the scheme, however held.

Exercise of discretion must be reasonable

(5) The responsible entity or its nominee must act reasonably in exercising a discretion covered by subsection (4).

Note: The responsible entity is also subject to its general duties under section 601FC including the duty to act in the best interests of the members of the scheme.
