- (d) A scheme member or a body corporate member makes a decision by signing a document that sets out the decision.

Mr A D'Aloisio
Managing Director and Chief Executive Officer
Australian Stock Exchange Limited
PO Box H224
AUSTRALIA SQUARE NSW 1215

Dear Mr D'Aloisio

I refer to your letter dated 5 April 2006 enclosing the application of the Australian Stock Exchange Limited (ASX) under subsection 851A(1) of the *Corporations Act 2001* (the *Corporations Act*) for approval to have voting power of more than 15% in the SFE Corporation Limited (SFE) and three of its subsidiaries — Sydney Futures Exchange Limited, SFE Clearing Corporation Pty Ltd and Austraclear Limited.

I understand that the ASX is seeking to acquire 100% of the voting power in these companies by way of a scheme of arrangement under which the ASX will acquire all of the shares of the SFE.

I am satisfied that the proposed acquisition is in the national interest.

Further, I am pleased to advise you that, under subsections 851B(1) and (2) of the *Corporations Act*, I approve the ASX having 100% of the voting power in the SFE, Sydney Futures Exchange Limited, SFE Clearing Corporation Pty Ltd and Austraclear Limited indefinitely.

I am conscious of the concerns expressed by some industry participants that the merger will create a monopoly which may deny access to potential competitors in the future. The operator of any alternative trading platform seeking access to the ASX's clearing and settlement facilities should, in the first instance, seek to reach a commercial arrangement with it. I note that this has occurred in the past. There are also mechanisms under the *Trade Practices Act 1974* and the *Corporations Act* for access to be facilitated in the public interest in appropriate circumstances.

A copy of this notice of approval will be provided to the SFE and its relevant subsidiaries, and published in the Gazette as soon as practicable, as required by subsection 851B(4) of the *Corporations Act*.

Yours sincerely

PETER COSTELLO
