Australian Securities and Investments Commission
Corporations Act 2001 – Paragraph 655A(1)(b) – Declaration

Under paragraph 655A(1)(b) of the *Corporations Act 2001 (Act)*, the Australian Securities and Investments Commission declares that Chapter 6 of the Act applies to the persons referred to in Schedule A in the case referred to in Schedule B as if section 609 were modified or varied by inserting after subsection 609(2) the following subsections:

“(2A) For the purposes of subsection (2B) and subsection (2C):

CREST means the system for paperless settlement of trades and holdings of uncertificated securities administered by CRESTCo Limited in the United Kingdom; and

CREST depository interest means an uncertificated interest in a security.

- (2B) Subsection (2) applies to a person (the *trustee*) who would otherwise have a relevant interest in securities because the trustee holds interests in the securities as the trustee of a trust established pursuant to a deed poll (the *deed poll*) under which CREST depository interests are issued representing the interest of the holder of CREST depository interests in the underlying securities despite:
- (a) the trustee having any of the following discretions under the terms of the deed poll which give it the power to dispose of, or control the exercise of a power to dispose of the underlying securities to which the depository interests relate:
 - (i) discretions where CREST depository interests are owned directly or beneficially by any person in circumstances where, the opinion of the trustee, the trustee or its custodian might suffer any liability to taxation or pecuniary, fiscal or material regulatory disadvantage which it might not otherwise have suffered; or
 - (ii) discretions where the CREST depository interests are owned directly or beneficially, or otherwise for the benefit of, any person in breach of any law or requirement of any jurisdiction or governmental authority or so as to result in ownership of any underlying securities exceeding any limit under or otherwise infringing any law or constitutive documents; or
 - (iii) discretions where the CREST depository interests are owned directly or beneficially by, or otherwise for the benefit of, any person who fails to furnish to the trustee such proof as to matters of fact (including identity), as the trustee may deem necessary or appropriate under the laws and regulations; or
 - (iv) discretions in relation to the appointment of custodians or sub-custodians to procure safe custody of the underlying securities; or
 - (v) discretions where the holder of the CREST depository interest ceases at any time to be, or is suspended in whole or part as, a member of CREST; or

-2-

07 / 0 4 4 8

- (vi) discretions where the CREST depository interests cease to be capable of being held in the CREST system; or
 - (vii) discretions where the CREST depository interests are held by a person who has failed to duly and punctually perform any obligation to the trustee or its custodian under the deed poll or any other relevant agreement or instrument to which the person is a party in relation to CREST depository interests, if the trustee determines that it is appropriate; or
- (b) the holder of the CREST depository interest not having a presently enforceable or unconditional right of the kind referred to in subsection 608(8) because the exercise of the holder's rights in relation to the securities relies on the actions of one or more trustees, custodians or sub-custodians of the securities, each of whom is restricted under the terms of their appointment from exercising any voting rights attached to or disposing of the underlying securities, other than in accordance with a direction made by or on behalf of the holder of CREST depository interests or the trustee under the deed poll acting in accordance with this subsection;

where:

- (c) the trustee holds the securities on trust for the benefit of the holders of the CREST depository interests; and
 - (d) if the terms of any of the discretions referred to in paragraph (a) require the trustee to form an opinion or determine that an action is necessary or appropriate, the trustee acts reasonably in forming that opinion or making that determination; and
 - (e) if the trustee exercises any of the discretions referred to in paragraph (a), it does so:
 - (i) only for the purposes of satisfying its obligations as trustee of interests in the securities underlying the CREST depository interests; and
 - (ii) on ordinary commercial terms or in an ordinary commercial manner as the case requires; and
 - (f) the trustee does not dispose of any securities to its associates as a result of the exercise by the trustee of any of the discretions in paragraph (a).
- (2C) Subsection (2) applies to a person (the *nominee*) who would otherwise have a relevant interest in securities because the nominee holds interests in the securities as trustee under a bare trust on behalf of a trustee within subsection (2B), despite such trustee not having a presently enforceable and unconditional right of the kind referred to in subsection 608(8) because the exercise of the trustee's rights in relation to the securities relies on the actions of one or more trustees, custodians or sub-custodians of the securities, each of whom is restricted under the terms of their appointment from exercising any voting rights attached to or disposing of the underlying securities, other than in accordance with a direction made by or on behalf of the holder of CREST

911A(2)(l), 992B(1)(a), 1020F(1)(a) and 1020F(1)(b) — Exemption

Commencement

This instrument commences on the date of its gazettal.

Disclosure relief

1. Under paragraphs 283GA(1)(a), 741(1)(a) and 1020F(1)(a) of the Corporations Act 2001 (the *Act*) the Australian Securities and Investments Commission (*ASIC*) exempts the issuer or the trustee from:

- (a) Parts 2L.1, 2L.2, 2L.3, 2L.4 and 2L.5; and
- (b) Parts 6D.2 and 6D.3 (except section 736); and
- (c) Part 7.9,

where the issuer or the trustee:

- (d) makes an eligible offer;
- (e) offers to arrange for the issue of financial products under an eligible offer;
- (f) issues a financial product under an eligible offer,

that involves a contribution plan but does not involve the issuer or any associated body corporate offering any eligible employee of the issuer a loan or similar financial assistance for the purpose of, or in connection with, the acquisition of financial products to which the offer relates, on the conditions set out in the Schedule and for so long as the conditions are met.

07 / 0 4 7 0

2. Under paragraph 1020F(1)(b) ASIC exempts a financial product that is the subject of an eligible offer from Part 7.9 where:

- (a) a recommendation is made (by a person other than the issuer) that a person to whom an eligible offer has been made acquire the financial product as a retail client; and
- (b) the person who made the recommendation is not aware, and ought not reasonably to be aware, that any of the conditions set out in the Schedule have not been met.

3. For the avoidance of doubt, under paragraph 601QA(1)(a) ASIC exempts the trustee which operates a managed investment scheme only by reason of operating a contribution plan relating to an eligible offer to which paragraph 1 relates from section 601ED in relation to the operation of that managed investment scheme.

Licensing and hawking relief

4. Under paragraph 911A(2)(l) ASIC exempts the issuer or the trustee who is exempt from Part 6D.2 or Part 7.9 because of the exemption in paragraph 1 (other than because the person made a recommendation to acquire financial products) from the requirement to hold an Australian financial services licence for the provision of a financial service consisting of general advice reasonably given in connection with an offer referred to in that exemption (including any general advice given in the offer document) where the offer document for the offer includes a statement to the effect that any advice given by the person in connection with the offer is general advice only, and that employees should consider obtaining their own financial product advice from an independent person who is licensed by ASIC to give such advice.

5. Under paragraph 911A(2)(l) ASIC exempts:

- (a) the issuer which is exempt from Part 6D.2 or Part 7.9 because of the exemption in paragraph 1; and
- (b) any associate of the issuer,

07 / 0 4 7 0

from the requirement to hold an Australian financial services licence for the provision of the following financial services:

- (c) the provision of a custodial or depository service in connection with an eligible offer covered by the exemption in paragraph 1 where the provider of the service performs their duties in good faith and has sufficient resources to perform those duties; and
- (d) dealing in a financial product in the course of providing a custodial or depository service covered by paragraph (c); and
- (e) dealing in a financial product in connection with an eligible offer covered by the exemption in paragraph 1 where any acquisition by purchase or disposal of the product (by the issuer or an associate) occurs either:
 - (i) through a person who holds an Australian financial services licence authorising the holder to deal in financial products; or
 - (ii) outside this jurisdiction and through a person who is licensed or otherwise authorised to deal in financial products in the relevant place; and
- (f) in the case where the exemption in paragraph 3 applies — dealing in an interest in a managed investment scheme that is exempt from section 601ED because of that paragraph.

6. Under paragraphs 741(1)(a) and 992B(1)(a) ASIC exempts the issuer or the trustee who is exempt from Part 6D.2 or Part 7.9 because of the exemption in paragraph 1 from sections 736, 992A and 992AA in relation to offers made in the course of, or because of, unsolicited meetings or telephone calls reasonably held or made in connection with the offer.

Schedule

The following conditions apply:

1. the issuer making the offer must:
 - (a) include that offer in an offer document; and

07 / 0 4 7 0

- (b) take reasonable steps to ensure that any eligible employee to whom the offer is made is given a copy of the offer document; and
 - (c) provide to ASIC a copy of the offer document (which need not contain details of the offer particular to the employee such as the identity or entitlement of the employee) and of each accompanying document not later than 7 days after the first provision of that material to an employee; and
2. the issuer must comply with any undertaking required to be made in the offer document by reason of this instrument; and
3. in the case where the employee share scheme may involve the issue of shares — the issuer must take reasonable steps to ensure that the number of shares the subject of the offer or to be received on exercise of an option when aggregated with:
- (a) the number of shares in the same class which would be issued were each outstanding offer with respect to shares, units of shares and options to acquire unissued shares, under an employee share scheme to be accepted or exercised; and
 - (b) the number of shares in the same class issued during the previous 5 years pursuant to the employee share scheme or any other employee share scheme extended only to eligible employees of the issuer;
- but disregarding any offer made, or option acquired or share issued by way of or as a result of:
- (c) an offer to a person situated at the time of receipt of the offer outside this jurisdiction; or
 - (d) an offer that was an excluded offer or invitation within the meaning of the Corporations Law as in force before the commencement of Schedule 1 to the *Corporate Law Economic Reform Program Act 1999*; or
 - (e) an offer that did not need disclosure to investors because of section 708; or
 - (f) an offer that did not require the giving of a Product Disclosure Statement because of section 1012D; or
 - (g) an offer made under a disclosure document or Product Disclosure Statement, must not exceed 5% of the total number of issued shares in that class of the issuer as at the time of the offer; and

07 / 0 4 7 0

4. (a) the trustee must hold the shares on trust for each person (a “beneficiary”) who acquires units of shares under an eligible offer; and
- (b) the trustee must cause proper written financial records to be maintained in respect of the activities of the trust and cause those records to be audited annually and made available for inspection by the beneficiaries at an office of the trustee or a place of business of the issuer during normal business hours or such other time as is agreed with beneficiaries; and
- (c) the trustee must ensure that each share to which a unit held by a beneficiary relates is identified in the written financial records as being held on account of that beneficiary; and
- (d) the trustee must not levy any fees or charges for operating and administering the trust, either payable directly by the beneficiaries or out of the assets of the trust; and
- (e) except as expressly provided by the trust deed, a beneficiary must have the capacity to authorise the trustee to sell at or above the current market price the shares to which he or she is entitled to under the deed; and
- (f) the trustee must provide a copy of the trust deed to ASIC at the same time as a copy of the offer document is provided to ASIC in accordance with this instrument; and
- (g) the issuer must ensure that the trust deed contains covenants binding the trustee and their agents, if any, to the effect that a beneficiary possesses substantially the same rights in respect of the shares to which the units of shares they hold relate as if they were the legal owner of the shares, including the right to:
- (i) direct the trustee how the voting rights attaching to the shares shall be exercised, either generally or in any particular case; and
 - (ii) receive the income deriving from the shares, including dividends declared by the issuer in respect of those shares.

Note: where a document must be provided in writing it may be provided by electronic means. See s5C of the Act and s25 of the *Acts Interpretation Act 1901*.
