Declaration of Unacceptable Circumstances

In the matter of RINKER GROUP LIMITED

WHEREAS

Background

1. Rinker Group Ltd (**Rinker**) is a listed public company. It is the subject of an off market takeover bid (**Offer**) by CEMEX Australia Pty Ltd (**CEMEX**), an indirect wholly owned subsidiary of CEMEX, S.A.B. de C.V.
2. CEMEX lodged its bidder's statement on 30 October 2006 in respect of the Offer (**Bidder's Statement**).
3. Clause 8.1(c) of the Bidder's Statement states:
"If Bidder acquires your Rinker Securities under this Offer, it will also be entitled to all Rights in respect of your Rinker Securities."
4. Section 9 of the Bidder's Statement defines "Rights" as including all rights attaching to or arising from the Rinker shares directly or indirectly at or after 30 October 2006, including all dividends.
5. Clause 8.8(e) of the Bidder's Statement sets out a mechanism for dealing with adjustments to the bid consideration for "Rights". Clause 8.8(e) states:
"If Bidder becomes entitled to any Rights as a result of your acceptance of this Offer, it may require you to give to Bidder all documents necessary to vest title to those Rights in Bidder, or otherwise give Bidder the benefit or value of those Rights. If you do not do so, or if you have received or are entitled to receive ... the benefit of those Rights, Bidder will be entitled to deduct the amount ... of those Rights from any consideration otherwise payable to you under this Offer. If Bidder, does not, or cannot, make such a deduction, you must pay that amount to Bidder."
6. At 10.22 a.m. AEST, on 10 April 2007, CEMEX made an announcement to ASX Limited (ASX) (**10 April Announcement**) stating that:
 - (a) the offer price under the Offer would be increased to US\$15.85 per Rinker share;
 - (b) the consideration payable under the Offer would not be reduced by the amount of an interim dividend paid by Rinker in December 2006¹; and
 - (c) the offer was CEMEX's "best and final offer, in the absence of a superior proposal" (**Best and Final Statement**).

¹ The interim dividend was A\$0.16 per Rinker share.

Takeovers Panel

07 / 0594

Declaration of unacceptable circumstances - Rinker Group Limited

7. The 10 April Announcement included a summary of an agreement between CEMEX and Rinker (**Bid Agreement**). The last page (page 6) of the 10 April Announcement stated:
- "... during the Restriction Period, Rinker must not pay a dividend, other than annual and half yearly dividends consistent with past practice, (provided that this does not prejudice the Bidder's rights under clause 8.8(e) of the Bidder's Statement to adjust the revised offer price in respect of any such dividend) or undertake a buy-back, capital return or other payment to shareholders without the consent of the Bidder and without prejudice to the Bidder's rights under clause 8.8(e) to make adjustments to the revised offer price as appropriate." (Dividend Adjustment Statement).*
8. Between making the Best and Final Statement on 10 April 2007 and 7 May 2007, CEMEX filed a number of documents with ASX which included statements relating to clause 8.8(e) and CEMEX's rights in respect of any subsequent dividend declared by Rinker (**Subsequent Statements**), including:
- (a) 10 April 2007, a copy of the Bid Agreement;
 - (b) 10 April 2007, a notice of variation regarding the increased offer;
 - (c) 17 April 2007, a fourth supplementary bidder's statement; and
 - (d) 18 April 2007, a fifth supplementary bidder's statement.
9. On 27 April 2007, Rinker released its preliminary final report to ASX, which included a statement to the effect that Rinker had declared a fully franked final dividend for 2006-07 of A\$0.25 per Rinker share (**Final Dividend**).
10. On 7 May 2007, CEMEX made an announcement to ASX (**7 May Announcement**) stating that:
- (a) the Offer had been "declared final as to price, in the absence of a superior offer";
 - (b) CEMEX would not transfer Rinker shares to its name, pursuant to acceptances of its Offer, until after the record date for the Final Dividend;
 - (c) Rinker shareholders who were entitled to the Final Dividend would retain that dividend, irrespective of when they accepted the Offer;
 - (d) CEMEX would not exercise its right to deduct the Final Dividend from its offer price of \$US15.85 per share; and
 - (e) Perpetual Investments Limited, Rinker's largest shareholder, would accept the Offer as soon as practicable.

Best and final statement

11. There was no clear, unambiguous and proximate qualification to the Best and Final Statement in the 10 April Announcement that CEMEX reserved the right to allow Rinker shareholders to retain some or any future "Rights".
12. None of the Subsequent Statements adequately remedied the lack of a clear, unambiguous and proximate qualification to the Best and Final Statement.

Takeovers Panel

07 / 0594

Declaration of unacceptable circumstances - Rinker Group Limited

13. By making the 7 May Announcement, CEMEX departed from its Best and Final Statement such that in the period between 10 April 2007 and 7 May 2007:
- (a) the acquisition of control over Rinker shares did not take place in an efficient, competitive and informed market;
 - (b) Rinker shareholders and the market were entitled to assume that there would be no other improvements to the Offer after 10 April;
 - (c) Rinker shareholders and the directors of Rinker were not given enough information to enable them to assess the merits of the Offer; and
 - (d) Rinker shareholders who sold shares on market after 10 April and before 7 May did not have an equal opportunity to share in the benefits flowing from the Offer (ie, the increase in the Offer resulting from the amount of the Final Dividend not being deducted from the Offer price).

Circumstances unacceptable

14. It appears to the Panel that the circumstances referred to above (Circumstances) are unacceptable having regard to:
- (a) the effect that the Panel is satisfied that the Circumstances have had, are having, or are likely to have, on:
 - (i) the control or potential control of Rinker; or
 - (ii) the acquisition or proposed acquisition by CEMEX of a substantial interest in Rinker; or
 - (b) the purposes of Chapter 6 of the Corporations Act as set out in section 602.
15. The Panel considers that it is not against the public interest to make a declaration of unacceptable circumstances in relation to the Circumstances and the affairs of Rinker.
16. The Panel has had regard to the matters in section 657A(3), but has not had regard to whether the Circumstances constitute, will constitute or are likely to constitute or give rise to a contravention of Chapters 6, 6A, 6B or 6C of the Corporations Act.

Under section 657A of the Corporations Act, the Takeovers Panel declares that the Circumstances constitute unacceptable circumstances in relation to the affairs of Rinker.
