Pursuant to paragraph 951B(1)(a) of the Act, ASIC hereby exempts the person named in Schedule A from section 941A of the Act in the case referred to in Schedule C.

Schedule A

Commonwealth Bank of Australia ACN 123 123 124 (“CBA”)

Schedule B

A share buy-back scheme to be made available to all holders of Shares (“Buy-back Invitations”) in or around March 2004 which:

- 1 is substantially on the terms contemplated by the draft buy-back document provided to ASIC on or around 16 February 2004; and
- 2 complies with the conditions in subsection 257B(2) of the Act, subject to subsection 257B(3), except
  - (a) that CBA does not comply with paragraph (a) of subsection 257B(2) of the Act but rather the Buy-back Invitations relate only to Shares;
  - (b) that CBA does not comply with paragraph (b) of subsection 257B(2) of the Act but rather invites all holders of Shares to offer for sale to CBA any number of their Shares in accordance with the terms and conditions of the Buy-back Invitations;
  - (c) that CBA does not comply with paragraph (c) of subsection 257B(2) of the Act but rather all persons who hold Shares in CBA have a reasonable opportunity to offer for sale any number of their Shares to CBA in accordance with the terms and conditions of the Buy-back Invitations (except for Employee Shares which are subject to restrictions on sale and may not be tendered under the Buy-back Invitations); and
  - (d) that CBA does not comply with paragraph (d) of subsection 257B(2) of the Act but rather the buy-back agreements are not entered into until the Tender Period has closed;
  - (e) that CBA does not comply with paragraph (e) of subsection 257B(2) of the Act but rather the Buy-back Invitations are to be made by CBA to every person who holds Shares for those holders to Tender their Shares (except for Employee Shares which are subject to restrictions on sale and may not be tendered under the Buy-back Invitations) to CBA for CBA to buy back those Shares on the same terms subject to:
    - (i) each Shareholder having the ability to nominate a maximum number of Shares which they wish to offer for sale to CBA;
    - (ii) if a Shareholder holds 200 Shares or fewer as at the Record Date, that Shareholder will only be permitted to lodge one tender either at a specified price within the tender range or as a Final Price Tender;
    - (iii) a Scale Back Mechanism operating in the manner described in conditions 2 and 3 of the Schedule C to ensure that CBA does not exceed the limit specified in condition 1 of Schedule C (or such lesser amount determined by CBA in accordance with its Buy-back Invitations).

Schedule C

An invitation to holders of Shares to offer to sell Shares to CBA pursuant to the share buy-back scheme referred to in Schedule B.

Schedule D

- 1 The number of Shares that CBA buys back does not exceed 21.2 million or such amount determined by CBA (including a lesser amount) but such amount must not exceed 10% of the smallest number of votes attaching to voting Shares of CBA on issue at any time during the 12 months before the commencement of the Tender Period.
- 2 CBA makes it a term of the Buy-back Invitations that:
  - (a) if the Buy-back Price is determined by CBA to be the Lowest Tender Price; and

04 / 1057

(b) at the close of the Tender Period, CBA has received offers that in aggregate amount to more than the Buy-back Amount, calculated using the Lowest Tender Price and including Final Price Tenders,

then:

(c) Tenders of Shares made at the Buy-back Price and as Final Price Tenders will be subject to a reduction by the same proportion (pro-rata) being the proportion needed to ensure that:

(i) after taking into account the Priority Acquisition and the Small Holding Acquisition, no more than the Buy-back Amount is bought back; and

(ii) the Priority Acquisition and the Small Holding Acquisition may be made, and

(d) the Priority Acquisition and the Small Holding Acquisition will be made.

3 CBA makes it a term of the Buy-back Invitations that:

(a) if the Buy-back Price is determined by CBA to be a price other than the Lowest Tender Price; and

(b) at the close of the Tender Period, CBA has received offers that in aggregate amount to more than the Buy-back Amount, calculated using the Buy-back Price,

then:

(c) all Shares tendered at less than the Buy-back Price will be bought back in full;

(d) all Shares tendered as Final Price Tenders will be bought back in full;

(e) Shares tendered at the Buy-back Price (other than as Final Price Tenders) will be bought back but the number of Shares to be bought back will be subject to a reduction by the same proportion (pro-rata) being the proportion needed to ensure that after taking into account the Small Holding Acquisition, no more than the Buy-back Amount is bought back; and

(f) the Small Holding Acquisition will be made.

4 For the purpose of paragraphs 2 and 3 of this Schedule, disregard, in determining whether the proportion by which the number of each offeror's Shares is reduced is the same, any difference in proportion arising from the rounding down of fractions for the purpose of ensuring that only whole numbers of Shares are bought back, and disregard any difference in proportion arising from an adjustment to ensure that only whole numbers of Shares are bought back.

5 If a general meeting of Shareholders is to be held before the buy-back period ends, disclosure is made in any document sent to Shareholders pursuant to subsections 257C(2) or 257D(2) of the Act, to the effect that Shareholders are entitled to vote at the general meeting (in accordance with the voting rights attached to their Shares).

##### In this instrument

Buy-back Amount means up to approximately 21.2 million Shares or such amount determined by CBA (including a lesser amount) but such amount must not exceed 10% of the smallest number, at any time during the 12 months before the start of the Tender Period, of votes attaching to voting shares of CBA.

- (b) all of the Shares tendered by those Shareholders who Tender a number of Shares equal to or less than the Priority Allocation at prices that are any one or more of the following:
- (i) a Final Price Tender; or
  - (ii) the Buy-back Price.

Priority Allocation means 200 Shares or such lesser number of Shares as is required to ensure that the Buy-back Amount is not exceeded as a result of the aggregate number of Shares bought back by CBA pursuant to the:

- (b) Small Holding Acquisition.

Record Date means the date for determining which Shares held by a Shareholder will confer an entitlement to offer to sell Shares to CBA pursuant to a Buy-Back Invitation.

Scale-Back Mechanism means the reduction of Shares bought back by CBA in the manner described in conditions 2 and 3 of Schedule C to ensure that the limit specified in condition 1 of Schedule C (or such lesser amount determined by CBA in accordance with its Buy-back Invitations) is not exceeded and the Small Holding Acquisition may be made.

Shares means fully paid ordinary shares in the capital of CBA.

Shareholder means a holder of Shares.

Small Holding means a parcel of 200 or less Shares (disregarding Employee Shares) at the end of the Tender Period.

Small Holding Acquisition means the acquisition by CBA of all of the Small Holdings of those Shareholders who Tender all their Shares (other than Employee Shares) held at the Record Date, and who have no other Shares (other than Employee Shares) registered in their name at the end of the Tender Period, at a price that is:

- (a) a Final Price Tender;
- (b) the Buy-back Price; or
- (c) below the Buy-back Price,

and would, but for this acquisition, have had a Small Holding as a result of the Scale Back Mechanism.

Corporations Act 2001 – Paragraph 601QA(1)(b)- Declaration**

Pursuant to paragraph 601QA(1)(b) of the *Corporations Act 2001* ("the Act") the Australian Securities and Investments Commission ("ASIC") hereby declares that Chapter 5C of the Act applies to Aspen Funds Management Limited ACN 104 322 278 in its capacity as the responsible entity of the Aspen Parks Property Trust ARSN 108 328 669 ("Scheme") in the case set out in the Schedule as if Chapter 5C were modified or varied as follows:

1. after subparagraph 601GA(1)(a)(i) as notionally inserted into Chapter 5C by ASIC Class Order [CO 98/52] insert:

"(ia) interests in the scheme may be issued, at a price determined by the responsible entity, while the scheme is included in the official list of the financial market operated by Australian Stock Exchange Limited or listed on an approved foreign exchange as defined in sub-regulation 1.2A.02(2) of the *Corporations Regulations 2001* and Stapled Securities of which the interests form a component part, or if the interests to be issued are in a class of interests, Stapled Securities of which interests of that class form a component part are not suspended from quotation, where the issue of the interests is not to the responsible entity or any person associated with it, and, in the case where:

(A) the issue (together with any other issue of interests up to one year previously, at a consideration determined by the responsible entity other than an issue approved or ratified by the members in accordance with subparagraphs (C) to (H) and issues in accordance with other provisions of the constitution) is of interests that would, immediately after the issue, comprise more than 10% of either:

- all of the interests in the scheme; or
- the interests on issue in the scheme in the same class as the interests comprised in the issue;

or

(B) the amount by which the issue price of the Stapled Securities of which the interests form a component part is less than the current market price for those Stapled Securities exceeds 10%,

the following requirements are also satisfied:

(C) the members approve the issue;

(D) if the interests to be issued are in a particular class, members in that class approve the issue;

(E) unless the responsible entity reasonably considers that the issue will not adversely affect the interests of members in another class, members in that other class approve the issue;

(F) any notice convening a meeting to vote on the issue contains particulars of the use to be made of the money raised by the issue;

(G) an approval for the purposes of subparagraphs (C), (D) or (E) is given by special resolution of the members where members with at least 25% of the total value of all the interests of members entitled to vote on the question vote on the question at the meeting; and

04 / 1062

(H) if in making the calculations referred to in subparagraph (G) any vote of a person to whom the interests are to be issued or any vote of any associate of that person were not counted, the resolutions would be passed;

(ib) interests in the scheme may be issued, at a price determined by the responsible entity, while the scheme is included in the official list of the financial market operated by Australian Stock Exchange Limited or listed on an approved foreign exchange as defined in sub-regulation 1.2A.02(2) of the *Corporations Regulations 2001* and Stapled Securities of which the interests form a component part, or if the interests to be issued are in a class of interests, Stapled Securities of which interests of that class form a component part are not suspended from quotation, where:

- (A) the issue of the interests is not to the responsible entity or any person associated with it; and
- (B) the interests are issued pursuant to offers made at substantially the same time; and
- (C) the sum of the prices of the interest and the share which make up the Stapled Security is to equal the current market price for the Stapled Security, as defined in the constitution of the scheme, at the time the offers are made.

2. after subparagraph 601GA(1)(a)(iii) as notionally inserted into Chapter 5C by ASIC Class Order [98/52] insert:

"(iiia) interests in the scheme that are component parts of Stapled Securities, other than options to subscribe for such interests, may be issued at a price determined by the responsible entity, pursuant to offers made at substantially the same time to only and all the then members of the scheme if:

- (A) all of the interests offered are in the same class;
- (B) the price of all the interests offered is the same;
- (C) the amount by which the price of the Stapled Securities of which the interests form a component part is less than any amount that would otherwise apply under the constitution does not exceed a maximum percentage specified in the constitution; and
- (D) the amount of interests offered to each member is proportionate to the value of that member's interest,

where if the responsible entity reasonably considers that it would be in the best interests of members to exclude certain members that are connected to a place outside this jurisdiction ("foreign members") and not unfair to those members, the responsible entity need not offer or issue the interests to the foreign members if each interest is sold in the context of a sale of a Stapled Security, taking reasonable steps to maximise the sale price net of expenses of the sale and the foreign members are promptly paid the net sale price. ";

3. after subparagraph 601GA(1)(a)(v) as notionally inserted into Chapter 5C by ASIC Class Order [98/52] insert:

"(va) an interest in the scheme that is a component part of a Stapled Security, other than an option to subscribe for such an interest, may be issued at a price determined by the responsible entity under an arrangement where:

- (A) the whole or part of any money payable to a member under the constitution, by way of distribution of capital or income, is applied in payment for the subscription for interests in the scheme;
- (B) each member of the scheme may from time to time elect to participate in that arrangement as to the whole, or some proportion, of the distributions which are, or would otherwise be, payable to that member;
- (C) all the interests issued under the arrangement are of the same class;

04 / 1062

- (D) the price of each interest issued pursuant to that arrangement at substantially the same time is the same;
- (E) the amount by which the price of the Stapled Securities of which the interests form a component part is less than the amount that would otherwise apply under the constitution does not exceed a maximum percentage specified in the constitution,

where if the responsible entity reasonably considers that it would be in the best interests of members to exclude certain members that are connected to a place outside this jurisdiction ("foreign members") and not unfair to those members, the responsible entity need not offer or issue the interests to the foreign members if each interest is sold in the context of the sale of a Stapled Security, taking reasonable steps to maximise the sale price net of expenses of the sale and the foreign members are promptly paid the net sale price.";

4. after subparagraph 601GA(1)(a)(vi) as notionally inserted into Chapter 5C by ASIC Class Order [CO 98/52] insert:

"(via) where Stapled Securities are quoted on the financial market operated by the Australian Stock Exchange Limited and not suspended from quotation, interests in the scheme that form a component part of stapled securities may be sold by the responsible entity or its agent, at a price determined by the responsible entity, where:

- (A) part of the issue price of the interest has not been paid when called and, in accordance with the terms of the constitution, the interest has consequently been forfeited to the responsible entity on trust for the members; and
- (B) the sale of the interest occurs in the context of a sale of the Stapled Security conducted in accordance with section 254Q of the Act other than subsections 254Q(1), 254Q(10), 254Q(13) and 254Q(14) as if the Stapled Security was a share, the scheme was the company and the responsible entity was the directors of the company.";

5. omit paragraph 601FC(1)(c) and substitute:

"(c) act in the best interests of members (having regard to both their interests as holders of interests in the scheme and their interests as holders of shares in a company, where the share and the interest are components of a Stapled Security) and, if there is a conflict between the interests of the members and the interests of the responsible entity, give priority to the interests of the members; and";
