Pursuant to subsections 260MA(1) and 741(1) of the Corporations Law (the "Law") the Australian Securities and Investments Commission ("ASIC") exempts the persons referred to in Schedule A from Parts 2L.1, 2L.2, 2L.3, 2L.4, 2L.5, 6D.2 and 6D.3 of the Law in the case referred to in Schedule B on the conditions set out in Schedule C and for so long as those conditions are met.

And, for the avoidance of doubt, pursuant to subsection 601QA(1) of the Law, ASIC exempts the persons referred to in Schedule A from section 601ED(5) of the Law, in the case of the operation of an employee share scheme which involves a contribution plan and in relation to which the exemptions referred to in the preceding paragraph are applicable, and where the conditions of those exemptions are met.

SCHEDULE A

SCHEDULE B

Offers for issue or sale of debentures or interests in a managed investment scheme constituted by or as a consequence of offers to accept money on deposit, and the acceptance of money on deposit by the issuer, in conjunction with offers made to employees of the subsidiary to subscribe for or purchase shares in the issuer under the Lexmark International Group, Inc. Employee Stock Purchase Plan 1999 ("employee share scheme"), documents in respect of which were provided to ASIC on or about the date of this instrument.

SCHEDULE C

An offer, issue or sale to which this exemption applies must, insofar as it constitutes, includes or is a consequence of an offer of shares, meet the following requirements:

1. The shares to which the offer relates must have been quoted on the New York Stock Exchange throughout the 36 month period, immediately preceding the offer, without suspension during that period exceeding in total 5 trading days.
2. The offer must be extended only to persons ("offerees") who at the time of the offer are full or part-time employees or directors of the issuer or of associated bodies corporate of the issuer.
3. The offer must be in writing (the "offer document") and:
 - (a) the offer document must include or be accompanied by a copy, or a summary, of:
 - (i) the rules of the employee share scheme pursuant to which the offer is made; and
 - (ii) the terms and conditions of the contribution plan;
 - (b) if the offer document includes or is accompanied by a summary (rather than a copy) of the rules, terms and conditions referred to in paragraph (a), the offer document must include an undertaking that during the period or periods during which the offeree may acquire shares to which the offer relates (the "offer period"), the issuer (or, in the case of an issuer which does not have a registered office in Australia, an associated body corporate of the issuer which does so have a registered office) will, within a reasonable period of the offeree so requesting, provide the offeree without charge with a copy of those rules, terms and conditions;
 - (c) the offer document must specify:
 - (i) the acquisition price in Australian dollars of the shares to which the offer relates;

 - (d) the offer document must include an undertaking that, and an explanation of the way in which, the issuer (or in the case of an issuer which does not have a registered office in Australia, an associated body corporate of the issuer which does so have a registered office) will, during the offer period, within a reasonable period of the offeree so requesting, make available to the offeree the following information:
 - (i) the current market price (or, where that price is denominated in a foreign currency, the Australian dollar equivalent of that price) of shares in the same class as shares to which the offer relates; and
 - (ii) where either paragraph (c)(ii) or (iii) applies, the information referred to in that paragraph as updated to that date.
4. In the case of an offer of shares for issue, the number of shares the subject of the offer when aggregated with:
- (a) the number of shares in the same class which would be issued were each outstanding offer or option to acquire unissued shares, being an offer made or option acquired pursuant to an employee share scheme extended only to employees or directors of the issuer and of associated bodies corporate of the issuer, to be accepted or exercised (as the case may be); and
 - (b) the number of shares in the same class issued during the previous 5 years pursuant to the employee share scheme or any other employee share scheme extended only to employees or directors of the issuer and of associated bodies corporate of the issuer;
- but disregarding any offer made, or option acquired or share issued by way of or as a result of:

 - (e) an offer that did not need disclosure to investors because of section 708 of the Law;
- must not exceed 5% of the total number of issued shares in that class of the issuer as at the time of the offer.
5. The person making the offer (the "offeror") must provide to ASIC a copy of the offer document (which need not contain details of the offer particular to the offeree such as the identity or entitlement of the offeree) and of each accompanying document not later than 7 days after the provision of that material to the offeree.
6. The offeror must ensure that the issuer (or, in the case of an issuer which does not have a registered office in Australia, an associated body corporate of the issuer which does so have a registered office), complies with any undertaking required to be made in the offer document by reason of this instrument.
7. Neither the issuer nor any associated body corporate of it offers the offeree any loan or other financial assistance for the purpose of, or in connection with, the acquisition of the shares to which the offer relates.

Interpretation

For the purposes of this instrument:

1. A contribution plan is a plan under which a participating offeree may save money by regular deductions from wages or salary towards paying for shares offered for issue or sale under an employee share scheme where the terms and conditions of the contribution plan include terms and conditions to the effect that:
- (a) all deductions from wages or salary made in connection with participation in the contribution plan must be authorised by the offeree on the same form of application which is used in respect of the offer, or on a form which is included in or accompanies the offer document;
 - (b) any contributions made by an offeree as part of the contribution plan must be held by the issuer/or any subsidiary of the issuer, in trust for the offeree in a bank account which is established and kept by the

0012472

issuer and/or any subsidiary of the issuer solely for the purpose of depositing contribution moneys and other money paid by employees for the shares on offer under the employee share scheme;

- (c) the issuer meets all bank charges and other fees or taxes (if any) levied on the bank account;
- (d) the offeree may elect to discontinue their participation in the contribution plan at any time and as soon as practicable after that election is made all money deposited with the bank in relation to that offeree must be repaid to that offeree.

2. A body corporate is an associated body corporate of an issuer if:

- (a) the body corporate is a related body corporate of the issuer; or
- (b) the body corporate has voting power in the issuer of not less than 20%; or
- (c) the issuer has voting power in the body corporate of not less than 20%;

(applying the definition of "voting power" contained in section 610 of the Law).

- 3. The Australian dollar equivalent of a price shall be calculated by reference to the relevant exchange rate published by the Wall Street Journal on the previous business day.
- 4. An offer under a scheme shall not be regarded as extended to a person other than an employee or director of the issuer or an associated body corporate of the issuer merely because such an employee or director may renounce an offer of shares made to them under the scheme in favour of their nominee.
- 5. The current market price of a share shall be taken as the price published by the principal exchange on which the share is quoted as the final price for the previous day on which the share was traded on the stock market of that exchange.

- (d) A scheme member or a body corporate member makes a decision by signing a document that sets out the decision.

4. An employee share scheme shall not be regarded as extended to a person other than an employee or director of the Company or an associated body corporate of the Company merely because such an employee or director may renounce an offer of shares made to them under the scheme in favour of their nominee.
5. An option shall be taken to have been offered or granted for nominal consideration if and only if the monetary consideration payable upon the issue of the option is not more than the lesser of:
