1. A declaration of unacceptable circumstances in relation to the affairs of Gloucester Coal Limited (**Gloucester**) on 29 April 2009 and
2. Section 657D of the Corporations Act 2001 (Cth)

THE PANEL ORDERS

The orders made on 20 March 2009 are revoked and the following substituted:

Amended bid terms

1. Gloucester's bid for Whitehaven Coal Limited (**Whitehaven**) announced on 20 February 2009 be subject to a condition to the effect that no superior proposal for Gloucester is made or announced.
In this condition, a proposal is a superior proposal if:
 - (a) the independent directors of Gloucester form the opinion, reasonably formed in good faith and for a proper purpose based on their fiduciary duties, that it is more in the interests of Gloucester's shareholders than Gloucester's bid for Whitehaven and
 - (b) it is conditional on Gloucester's bid for Whitehaven not proceeding or otherwise lapsing or being withdrawn.
2. The condition in paragraph 1 is not waivable for 21 days after the first offer under Gloucester's bid for Whitehaven is made. If, within that time, a superior proposal (as defined in order 1) has been made or announced then it cannot be waived at all unless that superior proposal lapses or does not otherwise proceed.

Amended Merger Implementation Agreement

3. The Merger Implementation Agreement between Gloucester and Whitehaven dated 19 February 2009 be amended by inserting the following clauses:
 - (a) at the end of clause 5.4 - "*Nothing in this clause 5.4 requires either Gloucester or Whitehaven to take, or refrain from taking, any action if to do so would be inconsistent with any order of the Takeovers Panel.*"
 - (b) at the end of clause 7.2(b) - "*(3) waive the condition in paragraph 3(j) of Schedule 2 before the earliest time permitted under any order of the Takeovers Panel.*"

09 - 0374

- (c) at the end of clause 7.2(c) - "*(3) paragraph 3(j) of Schedule 2 being waived.*"
- (d) after clause 6.8 - "*6.9 Gloucester is not liable to Whitehaven for any breach of this agreement that is a direct or indirect result of compliance with any order of the Takeovers Panel.*"
- (e) at the end of schedule 2, item 3 -
"No superior proposal for Gloucester
(j) Before the end of the Offer Period no superior proposal for Gloucester is made or announced.
In this condition, a proposal is a superior proposal if:
 - (i) *the independent directors of Gloucester form the opinion, reasonably formed in good faith and for a proper purpose based on their fiduciary duties, that it is more in the interests of Gloucester's shareholders than Gloucester's bid for Whitehaven and*
 - (ii) *it is conditional on Gloucester's bid for Whitehaven not proceeding or otherwise lapsing or being withdrawn.*"

Noble condition

- 4. If the independent directors of Gloucester, in the exercise of their duties, form the view, and announce, that the proposed Noble bid (or as may be increased) is a superior proposal for Gloucester, and that its bid for Whitehaven will not proceed, Noble:
 - (a) is not to rely on the condition referred to in paragraph 1 of attachment 1 to its announcement dated 27 February 2009 and
 - (b) must free its bid of that condition.

Announcement

- 5. Gloucester must:
 - (a) announce to ASX and
 - (b) include in its bidder's statement the amendment required to the terms of its announced bid.

Consideration of proposal

- 6. The independent directors of Gloucester must consider any proposal made or announced as soon as practicable.

Corporations Act**Section 657A****Declaration of Unacceptable Circumstances****Gloucester Coal Limited 01R**

The Takeovers Panel revokes the declaration made on 17 March 2009 in relation to the affairs of Gloucester Coal Limited (**Gloucester**) and substitutes this declaration.

CIRCUMSTANCES

1. On 20 February 2009, Gloucester announced a bid for Whitehaven Coal Limited (**Whitehaven**) offering 1 Gloucester share for every 2.45 Whitehaven shares (**Merger**). At the time, the market capitalisation of Whitehaven was approximately 2.3 times that of Gloucester.
2. Gloucester and Whitehaven entered a Merger Implementation Agreement (**MIA**). The MIA included the following terms:
 - (a) Gloucester and Whitehaven release an agreed bid announcement
 - (b) exclusivity provisions including a 'No Talk' provision. In substance, this was that each party must not (among other things) participate in discussions or negotiations in relation to a third party proposal, unless:
 - (i) it was unsolicited
 - (ii) not to do so would reasonably be likely to involve a breach of directors' duties and
 - (iii) before any binding arrangement is entered, the other party is given an opportunity to match the terms.
3. The Merger was structured as a takeover of Whitehaven by Gloucester because (among other reasons):
 - (a) it offered deal certainty. Noble Group Limited (**Noble**) could not use its 21.7% shareholding in Gloucester to block the bid
 - (b) it minimised completion risk. The directors of Whitehaven and their associates, and FRC Whitehaven Holdings BV, indicated that they would accept the Merger in the absence of a superior proposal for Whitehaven. This largely fulfills the Merger's 80% minimum acceptance condition
 - (c) it offered capital gains tax and accounting treatment advantages and
 - (d) Whitehaven requested it and this made the Merger an agreed deal.

09 - 0375

4. On 27 February 2009, Noble announced a bid for Gloucester of \$4.85 cash per share, subject only to the Merger not proceeding and prescribed occurrences.
5. While the MIA included a fiduciary carve out for Gloucester from the 'No Talk' provision, the announcement of the bid did not include a condition that the bid was subject to no superior proposal emerging for Gloucester.
6. As a consequence:
 - (a) the fiduciary carve-out in the MIA has limited or no effective operation
 - (b) the Gloucester board is unable to consider the Noble bid or any alternative proposal for Gloucester in its pre-Merger form
 - (c) by reason of (b), there is no prospect of Gloucester shareholders having an opportunity to participate in any benefits accruing through the Noble bid or any other alternative proposal for Gloucester
 - (d) the acquisition of control over voting shares, and therefore the potential control of, or the acquisition of a substantial interest in Gloucester, will not take place in an efficient, competitive and informed market.
7. It appears to the Panel that the circumstances are unacceptable having regard to:
 - (a) the effect that the Panel is satisfied that the circumstances have had, are having, will have or are likely to have on:
 - (i) the control, or potential control, of Gloucester
 - (ii) the acquisition, or potential acquisition, by a person of a substantial interest in Gloucester and
 - (b) the purposes of Chapter 6 of the Act set out in s602.
8. The Panel considers that it is not against the public interest to make a declaration of unacceptable circumstances. It has had regard to the matters in section 657A(3) of the Act.

DECLARATION

Under section 657A of the Act, the Panel declares that the circumstances constitute unacceptable circumstances in relation to the affairs of Gloucester.

Corporations Act 2001 — Subsection 601QA(1) and Paragraph 1020F(1)(c) -
Declarations and Exemptions

1. Under paragraph 601QA(1)(b) of the *Corporations Act 2001 (Act)*, the Australian Securities and Investments Commission (*ASIC*) declares that Chapter 5C of the Act applies in relation to the person specified in Schedule A in the case specified in Schedule B as if section 601GAA of the Act as notionally inserted into the Act by ASIC Class Order [05/26] were modified as follows:
 - (a) by inserting after subsection 601GAA(3):

"(3A) An issue is taken to comply with subsection (3)(a) where the offer is in proportion to the number of interests in the scheme each member holds at the date specified in subsection (3)(a) even if it is not proportionate to the value of the interests held at that date.

(3B) An issue is taken to comply with subsection (3)(g) where the responsible entity:

(a) offers the interests in the scheme to some members earlier than to other members where:

(i) under the terms of the offer no member can be issued interests in the scheme under the offer before a time which every member could accept the offer and be issued interests in the scheme under the offer; and

(ii) all members have a reasonable time, having regard to whether they are a retail client or not, to decide whether or not to accept the offer; and"
 - (c) by inserting after s601GAA(13):

"(14) For the purposes of this section, interests shall not be taken to be in different classes merely because of a temporary difference in the distribution rights attaching to the interests."
2. Under paragraph 601QA(1)(a) of the Act, ASIC exempts the person specified in Schedule A in the case specified in Schedule B from paragraph 601FC(1)(d) to the extent that it would prevent the person from making an offer permitted by subsection 601GAA(3) of the Act as notionally inserted into the Act by ASIC Class Order [05/26] and modified by this instrument because offers of interests in the registered scheme are made to some members earlier than offers of interests to other members or are able to be accepted by some members at an earlier date than

09-00378

other members or because members of the registered scheme are treated equally notwithstanding that the interests those members hold may have a temporary difference in the distribution rights attaching to those interests.

3. Under paragraph 1020F(1)(c) of the Act, ASIC declares that Part 7.9 of the Act applies in relation to the persons specified in Schedule A in the case set out in Schedule C as if subsection 1017E(2) of the Act were modified or varied as follows:
 - (a) at the beginning of paragraph (b) insert "subject to paragraph (ba),"; and
 - (b) after paragraph (b) insert:
 - "(ba) any money may be paid into the account, provided that:
 - (i) money paid to acquire financial products that must, under the terms on which the financial products are to be traded, be transferred together; and
 - (ii) any other money to which this section applies; and
 - (iii) interest on the amount from time to time standing to the credit of the account;is identified and held in accordance with all other provisions of this section; and".
4. Under paragraph 1020F(1)(c) of the Act, ASIC declares that Part 7.9 of the Act applies in relation to the persons specified in Schedule A in the case in Schedule B as if section 1019A of the Act were modified or varied as follows:
 - (a) in subsection (1), omit the words "Subject to subsection (2)," and substitute the words "Subject to subsections (2) and (2A)": and
 - (b) after subsection (2) insert a new subsection (2A) as follows:
 - "(2A) This Division does not apply to the issue of interests in a registered scheme under a rights issue in circumstances where section 1012DAA applies."
