**AUSTRALIAN SECURITIES AND INVESTMENTS COMMISSION
CORPORATIONS ACT — PARAGRAPH 655A(1)(b) — DECLARATION**

Pursuant to subsection 655A(1)(b) of the Corporations Act 2001 (Cth) (“Act”), the Australian Securities and Investment Commission (“ASIC”) declares that Chapter 6 of the Act applies to the persons referred to in Schedule A in the case referred to in Schedule B as if section 609 were modified or varied by inserting after subsection 609(2) the following subsections:

“(2A) For the purposes of subsection (2B) and subsection (2C):

CREST means the system for paperless settlement of trades and holdings of uncertificated securities administered by CRESTCo Limited in the United Kingdom; and

CREST depository interest means an uncertificated interest in a security.

- (2B) Subsection (2) applies to a person (the *trustee*) who would otherwise have a relevant interest in securities because the trustee holds interests in the securities as the trustee of a trust established pursuant to a deed poll (the *deed poll*) under which CREST depository interests are issued representing the interest of the holder of CREST depository interests in the underlying securities despite:
- (a) the trustee having any of the following discretions under the terms of the deed poll which give it the power to dispose of, or control the exercise of a power to dispose of the underlying securities to which the depository interests relate:
- (i) discretions where CREST depository interests are owned directly or beneficially by any person in circumstances where, in the opinion of the trustee, the trustee or its custodian might suffer any liability to taxation or pecuniary, fiscal or material regulatory disadvantage which it might not otherwise have suffered; or
 - (ii) discretions where the CREST depository interests are owned directly or beneficially, or otherwise for the benefit of, any person in breach of any law or requirement of any jurisdiction or governmental authority or so as to result in ownership of any underlying securities exceeding any limit under or otherwise infringing any law or constitutive documents; or
 - (iii) discretions where the CREST depository interests are owned directly or beneficially by, or otherwise for the benefit of, any person who fails to furnish to the trustee such proof as to matters of fact (including identity) as the trustee may deem necessary or appropriate under the laws and regulations;
 - (iv) discretions in relation to the appointment of custodians or sub-custodians to procure safe custody of the underlying securities; or
 - (v) discretions where the holder of the CREST depository interest ceases at any time to be, or is suspended in whole or part as, a member of CREST; or
 - (vi) discretions where the CREST depository interests cease to be capable of being held in the CREST system; or

06/0966

- (vii) discretions where the CREST depository interests are held by a person who has failed to duly and punctually perform any obligation to the trustee or its custodian under the deed poll or any other relevant agreement or instrument to which the person is a party in relation to CREST depository interests, if the trustee determines that it is appropriate; or
- (b) the holder of the CREST depository interest not having a presently enforceable or unconditional right of the kind referred to in subsection 608(8) because the exercise of the holder's rights in relation to the securities relies on the actions of one or more trustees, custodians or sub-custodians of the securities, each of whom is restricted under the terms of their appointment from exercising any voting rights attached to or disposing of the underlying securities, other than in accordance with a direction made by or on behalf of the holder of CREST depository interests or the trustee under the deed poll acting in accordance with this subsection;

where:

- (c) the trustee holds interests in the securities on trust for the benefit of the holders of the CREST depository interests; and
 - (d) if the terms of any of the discretions referred to in paragraph (a) require the trustee to form an opinion or determine that an action is necessary or appropriate, the trustee acts reasonably in forming that opinion or making that determination; and
 - (e) if the trustee exercises any of the discretions referred to in paragraph (a), it does so:
 - (i) only for the purposes of satisfying its obligations as trustee of interests in the securities underlying the CREST depository interests; and
 - (ii) on ordinary commercial terms or in an ordinary commercial manner as the case requires; and
 - (f) the trustee does not dispose of any securities to its associates as a result of the exercise by the trustee of any of the discretions in paragraph (a); and
 - (g) the shares underlying the CREST depository interests are issued and admitted to trading status in accordance with the operating rules of the Australian Stock Exchange Limited.
- (2C) Subsection (2) applies to a person (the *nominee*) who would otherwise have a relevant interest in securities because the nominee holds interests in the securities as trustee under a bare trust on behalf of a trustee within subsection (2B), despite such trustee not having a presently enforceable and unconditional right of the kind referred to in subsection 608(8) because the exercise of the trustee's rights in relation to the securities relies on the actions of one or more trustees, custodians or sub-custodians of the securities, each of whom is restricted under the terms of their appointment from exercising any voting rights attached to or disposing of the underlying securities, other than in accordance with a direction made by or on behalf of the holder of CREST depository interests or the trustee under the deed poll acting in accordance with subsection (2B).

SCHEDULE C — PROCEDURES FOR TRANSFERRING MANAGEMENT RIGHTS

1. *Transfer of management rights*
 - (a) If a majority of scheme members advise the operator in writing that they wish to terminate the operator's engagement, the operator must within 9 months transfer the management rights to a person that is chosen by the operator that has not been involved in the operation (including promotion) of the scheme and is not controlled by a person that has been involved in the operation (including promotion) of the scheme.
 - (b) If an operator fails to complete that transfer within the 9 month period, the operator must cause the transfer of the management rights to a replacement operator named in a written notice given by a majority of scheme members, at a price specified in the notice.
 - (c) A transfer referred to in paragraphs (a) or (b) must be done as soon as practicable, but if there is a body corporate for the real property to which the scheme relates, there must be a reasonable time for members of the body corporate to consider whether to make a decision referred to in paragraph 2(b) unless the body corporate has consented to the transfer.
2. *Consent of body corporate to new care-taking arrangements*
 - (a) If an operator receives a notice under paragraph 1(b) of this Schedule, the operator must advise all body corporate members of the name of the person to whom the transfer is to be made.
 - (b) Unless the body corporate has consented to the transfer, an operator does not have to transfer the management rights to the person named in the notice described in paragraph 1(b) of this Schedule if a majority of body corporate members state in writing to the operator that the person should not be engaged by the body corporate to perform care-taking functions.
 - (c) If a majority of body corporate members make a decision referred to in paragraph 2(b) of this Schedule, a majority of scheme members may then at any time name a replacement operator by a written notice, to whom the operator must transfer the management rights at a price specified in the notice and the notice will be taken to be given in accordance with paragraph 1(b) of this Schedule.

- (d) This paragraph 2 does not apply if the body corporate or a majority of body corporate members agree in writing to the transfer to the person named in a notice under paragraph 1(b) or 2(c) of this Schedule before that notice is given to the operator.

3. *Price payable on transfer*

The price scheme members specify in a notice under paragraph 1(b) of this Schedule must be one of the following:

- (a) the average of two valuations of the management rights by independent qualified valuers nominated by the Australian Property Institute (or another relevant independent professional body approved by ASIC); or
- (b) the highest bona fide bid for the management rights (excluding a bid by the operator or its associates) at an auction of which at least 60 days notice had been given; or
- (c) the highest bona fide amount tendered (excluding any tender by the operator or its associates) for the management rights following reasonable efforts to market the property for at least 60 days.

4. *Voting*

- (a) In determining if there is a majority of scheme members or body corporate members, the operator and its associates and any person nominated as a replacement operator and associates of that person must not be counted.
- (b) For scheme members, a majority is based on their entitlement to vote at body corporate meetings if there is a body corporate for the property to which the scheme relates, and otherwise each member shall have one vote.
- (c) For body corporate members, a majority is based on their entitlement to vote at body corporate meetings.
- (d) A scheme member or a body corporate member makes a decision by signing a document that sets out the decision.

5. *Costs*

- (a) Any member may arrange a valuation or auction of, or may market, the management rights before or after the expiration of the 9 month period

- (c) If a member incurs any reasonable valuation, auction or marketing costs under paragraph 5(a) of this Schedule that member is entitled to be reimbursed out of the price payable by any person nominated by the members as transferee of the management rights when the price is paid to the operator.

6. *Assistance*

The operator must give reasonable assistance to enable the transferee to operate the resort, hotel, motel or serviced apartment complex including making available information concerning any prospective bookings.

7. *Definitions*

In this Schedule:

scheme members means investors in the scheme excluding the operator and its associates;

management rights means all real or personal property (including contractual rights) held by the operator or any of its associates that facilitates the operation of the scheme; and
