 - (d) gives ASIC a notice in writing stating that the building will not be substantially completed and that the members of the Scheme will not be materially affected by its not being substantially completed.
2. The Operator must ensure that each member of the Scheme:
 - (a) has received share or membership certificates in the Club (or, where the constitution of the Scheme and the Act has permitted and where no share or membership certificates in the Club are issued, documentation or other evidence of membership in the Club); and
 - (b) falls into one or more of the following categories:
 - (i) they have received a certificate of title (and, where there is no certificate of title issued by the relevant titles registry, a copy of a registration confirmation statement or other evidence of title issued by the relevant titles registry) showing the member as holding title in a portion of the real property to which the Scheme relates in accordance with their entitlement; or
 - (ii) they have received a copy of the certificate of title certified as a true copy by a Justice of the Peace or a lawyer, where the Club has acknowledged that it is holding such a certificate in safe custody to be dealt with in accordance with provisions in the Club's constitution that provide for the certificate to be used only

to facilitate a transfer authorised by the member, or on forfeiture of the interest; or

- (iii) they became a member as a result of the forfeiture of the interest by a former member.
3. The Operator must ensure that any management agreement for the Scheme or property that members have a right to use, occupy or possess as part of the Scheme provides for the dismissal of the manager without any additional payment when members of the Club pass a resolution to that effect in at least one of the following cases:
- (a) more than 50% of all members vote for dismissal;
 - (b) members holding more than 50% by value of the interests vote for dismissal;
 - (c) 75% of members voting (whether in person or by proxy) vote for dismissal where at least 25% of members eligible to vote do so; or
 - (d) members holding 75% by value of the interests that are held by members voting (whether in person or by proxy) vote for dismissal where members holding at least 25% by value of the interests eligible to vote do so,

unless all of the following apply:

- (e) the management agreement was in force on 6 December 1999;
- (f) there has not since that date been any lawful means for the Club to terminate the agreement;
- (g) members are given at least 21 days' written notice that the Operator seeks to rely on the exception contained in paragraphs (e) to (o) of this Schedule and that the management agreement does not meet the usual requirements of ASIC policy concerning how a management agreement may be terminated;
- (h) the notice sent to members allows the member to requisition a vote by ticking a form accompanying the notice;
- (j) the notice contains a summary of all material information that is relevant to a member's decision whether to requisition a vote;
- (k) the notice states prominently a reply paid address to which the form requisitioning a vote may be sent;
- (l) the notice states prominently that if:

08-00867

- (i) members who together hold at least 5% of the total value of the interests; or
 - (ii) at least 100 members,
- requisition a vote by giving written notice to the reply paid address within 21 days from the date that the notice may reasonably be expected to be received by them, a postal vote will be held on whether the Operator should be able to rely on this exception or should be required to comply with the usual ASIC policy concerning how a management agreement may be terminated;
- (m) a postal vote is conducted, if requisitioned, in accordance with the notice as soon as practicable;
 - (n) if there is a postal vote:
 - (i) a voting paper is sent to each member and states a reply paid address to which the voting paper may be sent; and
 - (ii) members must be notified in, or in a document accompanying, the voting paper that:
 - (A) only votes received at the reply paid address within 28 days after the issue of the voting paper will be counted; and
 - (B) the vote will be taken as passed if supported by either a majority by value or by number of votes cast (as specified in the notice); and
 - (iii) the voting paper must be accompanied by a notice which explains that, unless members vote against permitting the Operator from relying upon this exception, the Operator may be permitted to do so despite the management agreement not complying with the usual ASIC policy concerning how a management agreement may be terminated; and
 - (iv) the notice accompanying the voting paper must contain a summary of information that is materially relevant to a member's decision whether to vote for or against the proposed resolution;
 - (o) ASIC is notified in writing where a vote was required and, if so, whether the vote was passed.
4. The Operator of the Scheme establishes, and maintains, an adequate internal dispute resolution procedure:
-

08-00867

 - (ii) that covers complaints against the Operator made by members in connection with the operation of the Scheme.
5. The Operator must not make or facilitate the making of any offer for issue or sale of an interest in the Scheme unless the issue or sale is subject to a cooling-off period of:
- (i) if the operator is a member of the Australian Timeshare & Holiday Ownership Council Limited ACN 065 260 095 and has not been notified in writing by ASIC that it cannot continue to rely on this subparagraph— not less than 7 days;
 - (ii) otherwise - not less than 14 calendar days.

SCHEDULE C

 2. The Operator must ensure that any application for an investment in the Scheme is voidable at the option of the applicant during a period of:

 - (ii) otherwise - not less than 14 calendar days,commencing on the date on which the applicant acknowledges receipt of the Product Disclosure Statement and the cooling-off statement referred to in paragraph 4 of this Schedule.
 3. The Operator must not resell any interest in the Scheme, unless the applicant has provided the acknowledgment of receipt referred to in paragraph 2 of this Schedule.
 4. Each application form relating to an interest in the Scheme must be accompanied by a separate statement in a form approved by ASIC which:
 - (i) describes the effect of the cooling-off period referred to in paragraph 2 of this Schedule; and

 - (b) the date of issue of each statement; and
 - (c) the identity of the applicant to whom each statement has been issued;
7. The Operator must return the deposit for an interest in the Scheme, and must not deduct any fees or expenses, if the applicant decides not to proceed with the purchase of an interest in the Scheme during the cooling-off period referred to in paragraph 2 of this Schedule.
