**CORPORATIONS ACT
SECTION 657A
DECLARATION OF UNACCEPTABLE CIRCUMSTANCES**

**CONDOR BLANCO MINES LIMITED
CIRCUMSTANCES**

1. On 22 September 2015, Condor Blanco Mines Limited (**Condor**) entered into an assignment, indemnity and put option agreement (**Assignment Agreement**) with Minesweeper Limited (**Minesweeper**) and other parties. Minesweeper is wholly owned by Ms Nicola Philip.
2. On 25 September 2015, Condor entered into an escrow deed with EMC (Nominees) Pty Ltd (**EMC**) under which EMC agreed to hold 45 million ordinary shares in Condor in escrow pending the finalisation of funding or acquisition agreements.
3. The 45 million shares represented 33.24% of the then issued capital of Condor.
4. Pursuant to a direction dated 26 November 2015 from Condor to EMC, of the 45 million shares, 27,937,360 were transferred to six transferees purportedly in connection with the completion of the Assignment Agreement.
5. On 26 February 2016, Condor purported to cancel the remaining 17,062,640 shares.
6. Also on 26 February 2016, Condor issued 50 million ordinary shares and requested EMC to hold those shares in escrow pursuant to the escrow deed pending the finalisation of funding or acquisition agreements.
7. The 50 million shares represented 29.13% of the then issued capital of Condor (after the purported cancellation of 17,062,640 shares).
8. The 45 million shares and 50 million shares are voting shares.
9. Under the escrow deed, Condor had (in respect of the 45 million shares) and has (in respect of the 50 million shares) the power to exercise, or control the exercise of, the right to vote and dispose of the shares. Accordingly, under section 608(1)(b) and (c),¹ Condor acquired a relevant interest in those shares.
10. EMC had a relevant interest in respect of the 45 million shares and has a relevant interest in respect of the 50 million shares under section 608(1)(a). EMC did not satisfy the exemption in section 609(2) in relation to either holding of Condor shares.
11. Accordingly:
 - (a) upon the issue of the 45 million shares on 25 September 2015, Condor's and EMC's voting power in Condor increased from below 20% to more than 20% in contravention of section 606(1) and (2) and

¹ References are to the *Corporations Act 2001* (Cth) unless otherwise indicated

16-0646

- (b) upon the issue of the 50 million shares on 26 February 2016, Condor's and EMC's voting power in Condor again increased from below 20%² to more than 20% in contravention of section 606(1) and (2).
12. None of the exceptions in section 611 applied.
13. Neither Condor nor EMC lodged substantial holder notices in respect of any shares, in contravention of section 671B(1).
14. Ms Philip and Minesweeper were each transferred a portion of the 45 million shares on 27 November 2015 giving rise to substantial holder notice obligations. On 16 May 2016, Ms Philip lodged substantial holder notices disclosing a current holding of 6.57% of Condor in respect of the shares held by her and Minesweeper. The initial substantial holder notice failed to comply with the requirements of section 671B(4).

EFFECT

15. Condor shareholders and the market were not aware of Condor's or EMC's relevant interest in the Condor shares held by EMC, or the nature of the interest or the circumstances of the acquisition. Moreover, the issue of the shares improperly diluted shareholders. Condor shareholders and the market were also not aware of Ms Philip's substantial holding and the agreement giving rise to it.
16. By reason of the foregoing, the acquisition of control over voting shares in Condor did not take place in an efficient, competitive and informed market.

CONCLUSION

17. It appears to the Panel that the circumstances are unacceptable circumstances:
- (a) having regard to the effect that the Panel is satisfied the 45 million share issue had, and the 50 million share issue is having or is likely to have on:
- (i) the control, or potential control, of Condor or
- (ii) the acquisition, or proposed acquisition, by a person of a substantial interest in Condor
- (b) in the alternative, having regard to the purposes of Chapter 6 set out in section 602
- (c) in the further alternative, because they constituted, constitute, will constitute or are likely to constitute a contravention of a provision of Chapter 6 and of Chapter 6C.
18. The Panel considers that it is not against the public interest to make a declaration of unacceptable circumstances. It has had regard to the matters in section 657A(3).

DECLARATION

The Panel declares that the circumstances constitute unacceptable circumstances in relation to the affairs of Condor.
