CORPORATIONS ACT
SECTION 657A
DECLARATION OF UNACCEPTABLE CIRCUMSTANCES

REGAL RESOURCES LIMITED**CIRCUMSTANCES**

1. Regal Resources Limited (**Regal**) is an ASX listed company (ASX: RER).
2. On 30 June 2016, Regal shareholders approved a series of resolutions, including for the purposes of item 7 of section 611¹ which (among other things) would increase the voting power of Ndovu Capital VI B.V. (**Ndovu**) in Regal from 13.23% to between 54.38% and 68.03% through the issue of Regal shares under a placement, conversion of a convertible loan and underwriting of a proposed entitlement offer (**the Transaction**).²

3. The notice of meeting for the Transaction:

- (a) Referred to Regal shareholders' ability to reduce Ndovu's voting power by participating in the entitlement offer as a reason to vote in favour of the Transaction resolutions, and stated that:

Shareholders will also be provided with the option for subscribing for Shortfall Shares in excess of their entitlement, on the terms and conditions to be disclosed in the Prospectus. The issue of any Shortfall Shares will be at the discretion of the Directors, in conjunction with Ndovu (in Ndovu's capacity as underwriter).

- (b) Described the shortfall, in a summary of material terms of the underwriting agreement as:

Eligible Shareholders may nominate to subscribe for additional Shares not subscribed for by other eligible Shareholders in the Rights Issue.

*The Company must calculate the number of Underwritten Shares for which valid applications have not been received by the closing date of the Rights Issue (**Shortfall**). The Company must notify the Underwriter of the Shortfall within 3 business days of the closing date of the Rights Issue (or such later date as agreed). The Underwriter must apply for the Shortfall within 6 business days of receiving this Shortfall notice from the Company.*

¹ References are to the Corporations Act 2001 (Cth)

² Shareholders also approved the exercise of options held by Ndovu which could further increase Ndovu's voting power

16 - 1094

4. On 4 July 2016, Regal issued a prospectus which stated "*Eligible Shareholders applying for Shortfall Shares in excess of their full Entitlement will have priority under the Shortfall Offer...In the event of oversubscription from these applications they will be scaled back. Any remaining Shortfall Shares will be subscribed for by the Underwriter in satisfaction of its commitment under the Underwriting Agreement.*" The prospectus also indicated that shortfall shares would be issued at the discretion of Regal and there was no guarantee that any shortfall shares would be issued.
5. The entitlement offer closed on 4 August 2016. Regal received applications for 184,166,015 shortfall shares. Of these, Regal issued 118,907,986 shares to applicants. The remaining shares were issued to Ndovu as part of its underwriting commitment.³
6. Regal's treatment of applications for shortfall shares was not consistent with its disclosure in the notice of meeting and prospectus.
7. By reason of Regal's disclosure and subsequent approach in dealing with applications for shortfall shares:
 - (a) Regal shareholders were not given sufficient information to assess the Transaction and
 - (b) the acquisition of control over voting shares in Regal has not taken place in an efficient, competitive and informed market.
8. It appears to the Panel that the circumstances are unacceptable having regard to:
 - (a) the effect that the Panel is satisfied the circumstances have had on:
 - (i) the control, or potential control, of Regal or
 - (ii) the acquisition, or proposed acquisition, by a person of a substantial interest in Regal and/or
 - (b) the purposes of Chapter 6 set out in section 602.
9. The Panel considers that it is not against the public interest to make a declaration of unacceptable circumstances. It has had regard to the matters in section 657A(3).

DECLARATION

The Panel declares that the circumstances constitute unacceptable circumstances in relation to the affairs of Regal.
