Note 1: Reports identified as being internally inconsistent are excluded from this table - the totals may not equal the number of reports for that financial year.

Note 2: Amendments to the external administrator report implemented 29 September 2006 changed the \$0-\$100,000° category to \$1-\$100,000°. These categories have been grouped to assist comparison.

Note: Amendments to the external administrator report implemented 29 September 2006 created a new category for 'Not applicable'. To assist comparison for the period before this category was introduced, the 'Not applicable' category has been adjusted to reconcile to the total number of initial external administrators' reports.
