DECISION AND REASONS

1. This is an application by the Australian Securities and Investments Commission ("ASIC") for the Companies Auditors and Liquidators Disciplinary Board ("Board") to cancel the registration of Geoffrey John Gillmore ("Respondent") as an auditor under s1292 of the *Corporations Act 2001*.
2. The Respondent did not attend the hearing which was held on 7 October 2008.
3. ASIC's case relied on the following facts which were established in evidence:
 - (a) The Respondent is a registered company auditor and is therefore required by s1287A of the Corporations Act, 2001 ("the Act") to lodge an annual statement.
 - (b) The Respondent lodged all required statements up to and including that required to be lodged in respect of the 12 months ending 12 November 2006 but has not lodged any statement since that one. Accordingly there is one annual statement (for the year ending 12 November 2007) which has not been lodged.
 - (c) Since late 2007, ASIC has endeavoured to communicate with the Respondent by correspondence, telephone and email in an effort to have the Respondent comply with his statutory obligation to lodge these annual statements. We were provided with details of all of ASIC's efforts and we were satisfied that their efforts should have been sufficient for the purpose although in fact they produced no actual result except that Mr Gillmore was spoken to on the telephone by a representative of ASIC and by the Registrar of the Board and indicated to the Registrar of the Board that he had received the relevant correspondence and notices and did not intend to attend this hearing. We believe that ASIC has done all it reasonably could.
4. In all the circumstances, we have determined that we are satisfied that ASIC has established its case that the Respondent has, within the terms of s1292(1)(a)(i), "contravened section 1287A".
5. As to the order we should make as a consequence of our determination, except as referred to in 3 (c) above, we have had no communication from the Respondent and therefore no explanation, reason or excuse proffered for his failure to lodge annual statements. In addition to that the Respondent did not respond to any of ASIC's efforts to communicate with him and has not responded to the Board even after receiving notice of this application.

6. The Respondent has ignored a serious statutory obligation of a registered company auditor – an obligation of which he was well aware and which ASIC took all reasonable steps to assist him to fulfil.
7. In all the circumstances, we believe that we should order the cancellation of the Respondent's registration.
8. For these reasons, on 7 October 2008 we ordered that registration of Geoffrey John Gillmore as an auditor be cancelled with effect 30 days after this order takes effect.
