## DECISION AND REASONS

1. This is an application by the Australian Securities and Investments Commission ("ASIC") for the Companies Auditors and Liquidators Disciplinary Board ("Board") to cancel the registration of Gregory John Hardy ("Respondent") as an auditor under s1292 of the *Corporations Act 2001*.
2. The Respondent did not attend the hearing which was held on 24 February 2009.
3. ASIC's case relied on the following facts which were established in evidence:
  - (a) The Respondent is a registered company auditor and is therefore required by s1287A of the Corporations Act, 2001 ("the Act") to lodge an annual statement.
  - (b) The Respondent lodged all required statements up to and including that required to be lodged in respect of the 12 months ending 28 February 2007 but has not lodged any statement since that one. Accordingly there is one annual statement (for the year ending 28 February 2008) which has not been lodged.
  - (c) Since mid 2008, ASIC has endeavoured to communicate with the Respondent by correspondence, telephone and email in an effort to have the Respondent comply with his statutory obligation to lodge this annual statement. We were provided with details of all of ASIC's efforts and we were satisfied that their efforts should have been sufficient for the purpose although in fact they produced no actual result and virtually no response at all. We believe that ASIC has done all it reasonably could.
4. In all the circumstances, we have determined that we are satisfied that ASIC has established its case that the Respondent has, within the terms of s1292(1)(a)(i), "contravened section 1287A".
5. As to the order we should make as a consequence of our determination, we have had no communication from the Respondent and therefore no explanation, reason or excuse proffered for his failure to lodge the annual statement. In addition to that the Respondent did not respond to any of ASIC's efforts to communicate with him and has not responded to the Board even after receiving notice of this application.
6. The Respondent has ignored a serious statutory obligation of a registered company auditor – an obligation of which he was well aware and which ASIC took all reasonable steps to assist him to fulfil.

7. In all the circumstances, we believe that we should order the cancellation of the Respondent's registration.
8. For these reasons, on 24 February 2009 we ordered that registration of Gregory John Hardy as an auditor be cancelled with effect 30 days after this order takes effect.
