2 Details of correction

Supporting documentation is required for a correction to a **date of change**. Documentation is defined as a copy of any company record (minutes, resolution, file note, memorandum, letter etc) evidencing the company's decision relating to the event seeking to be corrected.

The copy of the information being provided as evidence to support the correction to a date of change must be duly authorised by a current director or secretary of the company (signed, dated, signatory capacity).

The Form 492 cannot be used to notify of events that:

- were omitted from a previously lodged document e.g. appointment of an officeholder, change of address or transfer of shares—in that case a new document advising the change must be lodged
- did not happen but were previously notified, such as change of address—in that case the previous document should be withdrawn.
