 - (c) share rights in relation to shares referred to in paragraph (a), made under an employee share scheme extended only to eligible employees of the issuer;" and
- (c) would meet the requirements of the class order if, in the definition of an 'offer document' in paragraph 15 of the Interpretation, subparagraphs 15(c) and (d) were to read:
- "(c) specifies in respect of the share rights or the shares to which the share rights relate:

 - (d) includes an undertaking, and an explanation of the way in which, the issuer who has a registered office in this jurisdiction will, during the period which an eligible employee may acquire the shares, within a reasonable period of the employee requesting, make available to the employee:
 - (i) the current market price (or, where that price is denominated in a foreign currency, the Australian dollar equivalent of that price) of the shares to which the share rights relate; and
