Day of issue: 10th March 2014

Unique identification code: A4045993

TO: Virgin Money (Australia) Pty Limited

Bank of Queensland
Level 17, 259 Queen Street
BRISBANE QLD 4000

1. ASIC issues this infringement notice under section 12GXA of the *Australian Securities and Investments Commission Act 2001* (the *ASIC Act*).
2. ASIC has reasonable grounds to believe that you have contravened an infringement notice provision as follows:

From 1 December 2011 to 25 May 2013 (the Relevant Period) you contravened subsections 12DB(1)(a), (e) and/or (i) of the ASIC Act by, in trade and commerce, in connection with the supply or possible supply of financial services, or in connection with the promotion by any means of the supply or use of financial services, making false or misleading representations that services are of a particular standard; that the services have benefits; and/or concerning the exclusion or effect of a condition.

Particulars

During the Relevant Period, you made the following, or materially same, representations in relation to a life insurance product known as the "Quick & Easy" option (the Product) through television advertisements known as "TV-Car Seat":

- (a) "There is no need to answer any health or lifestyle questions." (Health representation); and
- (b) "Weight is not a factor that affects coverage of the Product" (Weight representation).

The Health representation was false or misleading because the online application form for the Product (contained on a webpage <https://life.virginmoney.com.au/OnlineApplication/Letsgetstarted.aspx?cid=&source=&p=2>) requires an applicant to answer specific questions about health

and/or lifestyle, namely, "*Have you smoked in the last 12 months?*" and if the answer to that question is yes, then "*Do you smoke more than 30 cigarettes per day?*" Answers to those questions were used by you to determine the premium pricing.

The Weight representation was false or misleading because coverage under the Product was not provided to people who fell into the excluded categories which included a BMI of 40 or over for certain illnesses if they were apparent in the 5 years prior to the commencement of the policy.
