1. that Axiom:
 - (a) provide to the Panel a mark up of the draft Notice of Meeting and Explanatory Memorandum lodged with the Australian Securities & Investments Commission and the Australian Stock Exchange Limited on 21 December 2005 by Axiom (**draft Meeting Documents**) within two business days from receipt of this order that:
 - (i) contains disclosure properly reflecting the existence of the potential conflicts of interests which may face the nominee directors of Saramac Nominees Pty Ltd (**Saramac**) on the board of Axiom if the Axiom shareholders approve the proposal put forward by Saramac to provide funding to Axiom by way of subscriptions for shares, options and notes (**Saramac Proposal**); and
 - (ii) omits sections which describe or relate to clauses 6 and 11.2 of the agreement entered into between Pivot Group Pty Ltd (**Pivot**) and Axiom on 3 October 2005 (which was extended by the parties on 27 October 2005 and on 2 December 2005) (**Pivot Agreement**) except to the extent that they describe the orders and the effect of the orders of the Panel in paragraphs 2, 3 and 4 below; and
 - (b) not dispatch the draft Meeting Documents or call an Extraordinary General Meeting for the purpose of approving either the Saramac Proposal or the alternative proposal put by Pivot until Axiom has received written confirmation from the Panel that the mark up provided to the panel under paragraph (a) has been approved by the Panel;

Corporations Act
Section 657A
Declaration of Unacceptable Circumstances

In the matter of Axiom Properties Limited

WHEREAS

- A. The Takeovers Panel (**Panel**) received an application from Pivot Group Pty Ltd (**Pivot**), in relation to a draft Notice of Meeting and Explanatory Memorandum (**draft Meeting Documents**) prepared by Axiom Properties Limited (**Axiom**) for a meeting proposed to be held in February 2006.
- B. The draft Meeting Documents relate to resolutions seeking shareholder approval in accordance with item 7, section 611 and chapter 2E of the Corporations Act and Listing Rule 7.1 of the ASX Listing Rules in respect of two alternative proposals to provide funds to Axiom for its Port Geographe project. One proposal has been put forward by Pivot and the other by Saramac Nominees Pty Ltd (**Saramac**).
- C. The draft Meeting Documents give rise to unacceptable circumstances because they do not provide Axiom shareholders with:
- (a) sufficient information to enable them to assess the merits of the Pivot or the Saramac proposal;
 - (b) all information known to Saramac, Pivot and Axiom that is material to the decision on how to vote on the resolutions.
- D. In particular, the draft Meeting Documents fail to provide adequate disclosure on the potentially material conflicts of interest that may arise for the Saramac nominees on the board of Axiom due to the fact that:
- (a) Saramac and MacSea Nominees Pty Ltd (**MacSea**) have common ownership (ie 50% owned by Gatesun Pty Ltd and 50% owned by Seaport Pty Ltd (**Seaport**));
 - (b) MacSea has a 60% interest in the joint venture to complete the development of the Port Geographe Canal Project (**PGJV**) with Tallwood Nominees Pty Ltd (a wholly owned subsidiary of Axiom) and Seaport is the manager of the PGJV; and
 - (c) under the PGJV transaction documents circumstances may arise which trigger the dilution of Tallwood's interest in the PGJV or require the sale of the land owned by Tallwood (as the case may be) and those circumstances may be triggered by the directors of Axiom nominated by Saramac acting or failing to act at all times in a manner that preserves or enhances Tallwood's investment in the PGJV.
- E. The Panel also received an application from Saramac which the Panel determined it would hear in the same proceedings dealing with the application from Pivot.
- F. The application concerned an agreement between Axiom and Pivot (**the Pivot Agreement**) for the proposal by Pivot described in Recital B.

2

06/0035

- G. A provision in the Pivot Agreement restraining Axiom from negotiating with proponents of competing transactions does not contain an appropriate fiduciary exception allowing Axiom's directors to respond positively to an alternative proposal if the directors consider to do so would be in the best interests of Axiom shareholders, contrary to the policy set out in section 602(a) of the Corporations Act 2001 (Cth) and the Panel's Guidance Note 7 - Lock-up Devices.

Under section 657A of the Corporations Act, the Panel declares that the circumstances relating to:

- (a) the failure of the draft Meeting Documents to disclose adequately the nature and substance of a potentially material conflict of interest which may arise for Saramac nominees on the board of Axiom; and
- (b) the absence from the Pivot Agreement of an express fiduciary exception as described in the Panel's Guidance Note 7 on Lock-up Devices,

constitute unacceptable circumstances in relation to the affairs of Axiom.
