**Corporations Act
Section 657A
Declaration of Unacceptable Circumstances
In the matter of Bisalloy Steel Group Limited**

WHEREAS

1. Bisalloy Steel Group Limited (**Bisalloy**) has a 4:5 rights issue underway under a prospectus dated 2 December 2008. Mr. Phillip Cave is chairman of Bisalloy and has voting power in approximately 3.6% of the Bisalloy shares
2. The rights issue is renounceable and was priced at a small discount to the then market price. The market price for Bisalloy shares has decreased, reducing the discount
3. The rights issue is fully underwritten by ABN AMRO Morgans Corporate Limited. It is fully sub-underwritten by Anchorage BSG Pty Limited (**Anchorage BSG**), for a fee of 1.5%. Anchorage BSG is owned by Anchorage Capital Partners 1 Fund, which is managed by Anchorage Capital Partners Pty Limited. Mr Cave is a director, and has an interest in approximately 40%, of the shares in Anchorage Capital Partners Pty Limited. Mr Cave has an interest of approximately 10% in Anchorage Capital Partners 1 Fund
4. Anchorage BSG was not prepared to sub-underwrite the rights issue on the basis that it would sub-underwrite only 50% of the shortfall and entered the sub-underwriting because of the prospect that it would give it some influence in the affairs of Bisalloy
5. Under the rights issue Anchorage BSG could obtain voting power of up to 44.4% in Bisalloy if no other shareholders exercised their rights. Including Mr Cave's interest, the potential voting power increases to approximately 48%
6. All reasonable steps to minimise the potential control impact of the rights issue on Bisalloy were not taken, and in particular, no other major shareholder was offered an opportunity to participate in sub-underwriting arrangements for the rights issue
7. In addition, the rights issue prospectus does not adequately disclose the intentions of Anchorage BSG should it be required to take up shortfall shares
8. It appears to the Panel that the circumstances are unacceptable:
 - (a) having regard to the effect that the Panel is satisfied that the circumstances are having, or are likely to have, on the control or potential control of Bisalloy and/or
 - (b) having regard to the purposes of Chapter 6 set out in section 602 of the Corporations Act 2001 (Cth) (the **Act**)

08 - 1018

9. The Panel considers that it is not against the public interest to make a declaration of unacceptable circumstances. It has had regard to the matters in section 657A(3) of the Act

DECLARATION

Under section 657A of the Act, the Panel declares that the circumstances above constitute unacceptable circumstances in relation to the affairs of Bisalloy.

**Corporations Act
Section 657D
Orders**

IN THE MATTER OF BISALLOY STEEL GROUP LIMITED

PURSUANT TO

1. A declaration of unacceptable circumstances in relation to the affairs of Bisalloy Steel Group Limited (**Bisalloy**) on 23 December 2008
2. Section 657D of the Corporations Act 2001 (Cth) (the **Act**)

THE PANEL ORDERS

1. Each of ABN AMRO Morgans Corporate Limited and Anchorage BSG Pty Ltd (**Anchorage BSG**) not rely on any right they may have to terminate the Underwriting Agreement or Sub-Underwriting Agreement as a consequence of the application to the Panel in this matter and these orders.
2. Until completion of these orders, Anchorage BSG not deal with any Excess Shortfall Shares issued to it otherwise than in accordance with these orders.
3. As soon as possible after the date of these orders, Anchorage BSG ask Balron Nominees Pty Ltd (**Balron**) and Investors Mutual Limited (**Investors Mutual**) to indicate the percentage of Excess Shortfall Shares it wants such that:
 - 3.1. Balron and Investors Mutual have 24 hours from receipt of the request to indicate to Anchorage BSG what percentage of the Excess Shortfall Shares it wants
 - 3.2. If an indication is for up to 1/3, it would be fulfilled (subject to rounding) and
 - 3.3. If an indication is for more than 1/3, it will be fulfilled taking into account each indication for more than 1/3 and so that as nearly as practicable Anchorage BSG and that party share equally (subject to rounding), provided that the party cannot take more shares than in its indication.
4. Immediately after the number of the Excess Shortfall Shares is known to Anchorage BSG, it advise Balron or Investors Mutual (as applicable) of the number of Excess Shortfall Shares that party may acquire under these orders.
5. If Balron or Investors Mutual, within 24 hours of receipt of the notification, provides Anchorage BSG with a bank cheque in the amount of the total subscription price less 1.5% for all of the notified Excess Shortfall Shares, Anchorage BSG provide Balron or Investors Mutual (as applicable) the number of Excess Shortfall Shares.
6. Any relevant interest in the Excess Shortfall Shares acquired in accordance with these orders is, if not exempt under section 611, exempt from the prohibition in section 606 of the Act.

08 - 1019

7. As soon as possible after the date of these orders, Anchorage BSG disclose to Bisalloy:
 - 7.1. any intentions it or Anchorage Capital Partners Pty Ltd have formed with respect to Bisalloy as a consequence of Anchorage BSG's potential maximum shareholding in Bisalloy following the Rights Issue or
 - 7.2. if no intentions are formed, detail of the influence Anchorage BSG or Anchorage Capital Partners Pty Ltd expects to exert in relation to Bisalloy.
8. As soon as possible after the date of these orders, if Balron intends to indicate to Anchorage BSG a percentage of the Excess Shortfall Shares it wants, it disclose to Bisalloy any intentions it has formed with respect to Bisalloy as a consequence of the potential maximum shareholding it may hold following the Rights Issue.
9. Bisalloy must prepare, and lodge with ASIC and ASX, a supplementary prospectus which includes:
 - 9.1. disclosure of these orders and their effect and
 - 9.2. the disclosures provided under paragraphs 8 and 9.

INTERPRETATION

Excess Shortfall Shares means the number of shares in Bisalloy allocated or to be allocated under the Sub-Underwriting Agreement, that take or would take the relevant voting power in Bisalloy beyond 20%. The relevant voting power in this definition is calculated by aggregating:

- (a) the voting power of Anchorage BSG in Bisalloy and
- (b) the voting power of Mr Phillip Cave in Bisalloy.

Rights Issue means the issue of rights to subscribe for new shares in Bisalloy pursuant to the prospectus issued by Bisalloy on 2 December 2008.

Sub-Underwriting Agreement means the sub-underwriting agreement in relation to the Rights Issue dated on or about 2 December 2008.

Underwriting Agreement means the underwriting agreement in relation to the Rights Issue dated on or about 2 December 2008.
