Under paragraph 601QA(1)(b) of the *Corporations Act 2001* (the “Act”) the Australian Securities and Investments Commission (“ASIC”) hereby declares that Chapter 5C applies to the person mentioned in Schedule A in relation to each of the registered schemes specified in Schedule B in the case set out in Schedule C as if section 601FL of the Act were modified or varied by:

1. omitting from subsection (1) all the text after the word “it” and substituting the following text:

“must either:

- (b) propose a related body corporate to be the new responsible entity in accordance with subsection (1A).”;

2. inserting after subsection (1) the following subsection:

“(1A) The requirements for proposing a related body corporate to be the new responsible entity are as follows:

- (a) The responsible entity must give members notice of a proposal to choose a company (the ***proposed responsible entity***), which is a related body corporate, to be the scheme’s new responsible entity.
- (b) The notice to members must:

 - (B) such information as can reasonably be expected to be material to a member in forming a view as to the choice of the proposed responsible entity; and

 - (B) 100 members,

who would be entitled to vote if the proposal were put as a proposed resolution to a meeting of members under paragraph (1)(a), ask for a vote on the choice of the proposed responsible entity by giving written notice received by the responsible entity within 21 days from the date the notice is sent, the responsible entity will either arrange a postal vote or convene a meeting to vote on a resolution for the choice of the proposed responsible entity; and

- (iii) be accompanied by a form which can be ticked to ask for a vote; and
 - (iv) state prominently a reply paid address of the responsible entity to which the form may be sent.
- (c) If sufficient members ask for a vote in accordance with the notice, the responsible entity must arrange for a postal vote or, if the responsible entity chooses, convene a meeting in accordance with Part 2G.4 to vote on the choice of the proposed responsible entity as soon as possible.
- (d) If there is a postal vote:
- (i) a voting paper must be sent to each member stating a reply paid address of the responsible entity to which the voting paper may be sent;
 - (ii) the responsible entity must notify the members in, or in a document accompanying, the voting paper that:
 - (A) the proposed responsible entity will be chosen as the new responsible entity if at least 50% of the total votes that may be cast by members that would be eligible to vote at a meeting under paragraph (1)(a) are cast in favour of the choice; and
 - (B) only votes received by the responsible entity within 28 days after the issue of the voting paper will be counted.
- (e) If a meeting is convened the resolution to choose the new responsible entity must be an extraordinary resolution if the scheme is not listed"; and

3. inserting after subsection (2), the following subsections:

0 7 / 0 1 2 5

“(2A) If a postal vote is arranged under paragraph (1A)(c) and at least 50% of the total votes that may be cast by members that would be eligible to vote at a meeting under paragraph (1)(a) are cast in favour of the proposed responsible entity, that entity is taken for the purposes of subsection (2) to have been chosen by a resolution of members on the last day on which postal votes may be received in order to be counted.

(2B) If:

- (a) a related body corporate is proposed to be the new responsible entity in accordance with subsection (1A); and
- (b) sufficient members do not ask for a vote to choose the entity in accordance with the notice referred to in paragraph (1A)(b); and
- (c) the entity has consented in writing to becoming the scheme’s responsible entity,

then:

- (d) as soon as practicable and in any event within 2 business days after the end of the period in which a member may ask for such a vote, the current responsible entity must lodge a notice with ASIC asking it to alter the record of the scheme’s registration to name the proposed responsible entity as the scheme’s responsible entity; and
- (e) the notice must be accompanied by a certificate from the current responsible entity that it reasonably considers that the appointment of the proposed responsible entity would be in the best interests of members with a summary of the responsible entity’s reasons as to why this is the case; and
- (f) unless ASIC reasonably believes that the appointment of the proposed responsible entity would not be in the best interests of members, ASIC must comply with the notice as soon as practicable after the notice and summary are lodged.”.
