**Corporations Act
Section 657D
Orders**

0 6 / 0 1 4 7

In the matter of Citect Corporations Limited

Pursuant to:

- (a) section 657D of the *Corporations Act 2001* (Cth); and
- (b) a declaration of unacceptable circumstances in relation to the affairs of Citect Corporation Limited (**Citect**) made by the Takeovers Panel (**Panel**) on 24 February 2006 under section 657A of the Corporations Act,

the Panel ORDERS:

- (c) TCEP Australia Pty Ltd (**TCEP**) to, no later than the next business day following the date of this order, declare its off-market bid for Citect's shares (**TCEP Offer**) free from all defeating conditions in accordance with section 650F of the Corporations Act.
- (d) Within 7 days after the date of this order, or such further period as the Panel may order on an application made within 7 days of this order, TCEP to pay or procure TCEP Australia LLC to pay to the Australian Securities and Investments Commission (**ASIC**) the sum of \$356.
- (e) ASIC is to hold this amount on trust to distribute it, not less than 14 days after TCEP pays the amount to ASIC, to each person who sold shares in Citect by a sale which was effected on the SEATS trading platform of ASX or reported to ASX on 10 February 2006 prior to the disclosure made by TCEP of the acquisition by TCEP Australia LLC of Citect shares at \$2.00 per share, as an amount per share which is the difference between \$2.00 and any price less than \$2.00 per share at which the persons sold those Citect shares.
- (f) TCEP to pay or procure TCEP Australia LLC to pay to ASIC the expenses reasonably incurred by it in giving effect to these orders, including staff time and disbursements.
- (g) Any party to these proceedings may apply for further orders amending, supplementing or clarifying these orders, including without limitation orders about the distribution of the fund and the costs of the distribution.

Dated 26 February 2006

Corporations Act **0 6 / 0 1 4 8**
Section 657A
Declaration of Unacceptable Circumstances

In the matter of Citect Corporation Limited

WHEREAS

- A. The Takeovers Panel (**Panel**) received an application from Schneider Electric Australia Holdings Pty Ltd (**SEAH**) in relation to the affairs of Citect Corporation Limited (**Citect**).
- B. TCEP Australia Pty Ltd (**TCEP**) has made an offer to buy all of the shares of Citect (**TCEP Offer**). The TCEP Offer is made by way of a conditional off-market takeover bid.
- C. TCEP Australia LLC (the indirect US parent of TCEP) acquired, in unconditional, off-market, transactions, 8,029,200 ordinary shares in Citect (approximately 15.1% of the voting power in Citect) at \$2.00 per share (**Acquisitions**) from certain Citect institutional shareholders (**Selling Shareholders**).
- D. At the time of the Acquisitions:
 - (a) TCEP was the registered holder of approximately 0.88% of the voting power in Citect;
 - (b) the TCEP Offer was conditional; and
 - (c) the TCEP Offer price was \$1.70 per share (including a special dividend of \$0.05 to be declared by Citect).
- E. The Acquisitions give rise to unacceptable circumstances because they involved an associate of TCEP (TCEP Australia LLC) providing a benefit to the Selling Shareholders, which was likely to induce the Selling Shareholders to dispose of securities in the class of securities subject to the TCEP Offer, and which was not offered to all of the Citect shareholders in the bid class under the TCEP Offer. The benefit was the unconditional nature of the Acquisitions. The giving of the benefit constituted or gave rise to a contravention of section 623 of the Corporations Act.
- F. TCEP or TCEP Australia LLC failed to lodge a substantial holder notice in respect of acquisitions made on 9 February 2006 by 9.30 am on 10 February 2006. This constituted or gave rise to a contravention of section 671B(6) of the Corporations Act.

The Panel considers that it would not be against the public interest to make a declaration of unacceptable circumstances.

Under section 657A of the Corporations Act, the Panel declares that the:

- (a) Acquisitions; and

06/0148

Declaration of Unacceptable Circumstances

In the matter of Citect Corporation Limited

2

- (b) failure by either of TCEP or TCEP Australia LLC to lodge a substantial holder notice within the required time following the acquisitions made on 9 February 2006,

constitute unacceptable circumstances in relation to the affairs of Citect Corporation Limited.
