Exemption

2. This exemption applies to an interest in a managed investment scheme (*serviced strata scheme*) which involves an owner (*investor*) of real property (*strata unit*), in the investor's discretion, making their strata unit available for use by a person (*operator*) as part of a serviced apartment, hotel, motel or resort complex located at 131-135, Pollock Avenue, Wyong developed in accordance with an approval of Wyong Shire Council dated 21 May 2004 that was provided to ASIC on 3 March 2006 and in relation to which, on 1 March 2000, there was no person who had bought or agreed to buy a strata unit and who, before agreeing to buy, had been offered an interest in the scheme.
3. An interest in the serviced strata scheme is exempt from the following provisions of the Act:
 - (a) Part 7.6 (other than Divisions 4 and 8); and

Where exemption applies

4. The exemption in paragraph 3 only applies where all of the following requirements are satisfied:
 - (a) the sale of the strata unit is not and was not conditional on participation in the serviced strata scheme;
 - (b) each investor and the operator may withdraw from participation in the scheme on no more than 90 days notice and an investor that withdraws will not be bound after that notice expires to allow use of their strata unit except for occupation of the strata unit:
 - (i) by a person other than the operator or an associate of the operator; and
 - (ii) under an agreement that the operator made with that person before the notice of withdrawal was given;

- (c) each investor may, if the investor withdraws from participation in the scheme, appoint another person to manage their strata unit;
 - (d) the operator is licensed in relation to the conduct of the letting services under the law of a State or Territory or is a financial services licensee;
 - (e) no payment is liable to be made by an investor to participate in the scheme other than:
 - (i) payment of money to buy the strata unit; and
 - (ii) one or more payments of the investor's reasonable proportion of the operator's fees and expenses with respect to the management of the scheme where in any 3 month period the total of such payments relates to a period of no more than 3 months and where:
 - (A) that total is reasonably commensurate with the work done or to be done, or the expenses incurred or likely to be incurred (as the case may be), by the operator during the period to which the payments relate; and
 - (B) where a FFE Fund has been established for the investor — no payment or part thereof is used for the replacement, repair or refurbishment of furniture, fittings and equipment of the strata unit in relation to the period to which the payment relates unless all money in the Fund has first been expended; and
 - (iii) where a FFE Fund has been established for the investor — one or more payments into the Fund where:
 - (A) each payment is by way of a deduction from rental income of the scheme that would otherwise be paid to the investor in relation to a period and does not exceed 3% of the gross rent attributable to the investor for the period; and
 - (B) the balance of the Fund at all times does not exceed \$5,000 for each strata unit made available by the investor for use as part of the scheme;
 - (f) there is no obligation on any person to ensure that other owners of strata units agree to participate in the scheme;
 - (g) the serviced apartment, hotel, motel or resort complex is operated in accordance with a written agreement entered into or to be entered into between the operator and each investor which agreement includes provisions as specified in paragraph 5;
 - (h) the operator takes reasonable steps to ensure that any part of the scheme property held in cash or on deposit with an Australian ADI or another financial
-

institution is held on trust for the members in a trust account and subject to audit as to whether the moneys have been dealt with in accordance with the terms of the trust by a registered company auditor at least annually;

- (i) where a FFE Fund has been established for an investor, the operator takes reasonable steps to ensure that:
 - (A) the money comprising the Fund is held on trust for the investor in a trust account and subject to audit as to whether the money has been dealt with in accordance with the terms of the trust by a registered company auditor at least annually; and
 - (B) the balance of the Fund is promptly returned to the investor at the termination of the scheme or upon the investor's withdrawal from the scheme, whichever occurs first;
- (j) each person that is involved in making an offer of interests in the scheme for issue does not engage in any misleading or deceptive conduct or conduct that is likely to mislead or deceive in connection with those offers;
- (k) the operator complies with the provisions specified in paragraph 5 which are included in the agreement referred to in subparagraph (g).

Terms of agreement between investor and operator

- 5. The agreement specified in subparagraph 4(g) is to contain provisions to the following effect:
 - (a) *Transfer of management rights*
 - (i) If a majority of scheme members advise the operator in writing that they wish to terminate the operator's engagement, the operator must within 9 months transfer the management rights to a person that is chosen by the operator that has not been involved in the operation (including promotion) of the scheme and is not controlled by a person that has been involved in the operation (including promotion) of the scheme; and
 - (ii) If an operator fails to complete that transfer within the 9 month period, the operator must cause the transfer of the management rights to a replacement operator named in a written notice given by a majority of scheme members, at a price specified in the notice; and
 - (iii) A transfer referred to in subparagraph (i) or (ii) must be done as soon as practicable, but if there is a body corporate for the real property to which the scheme relates, there must be a reasonable time for members of the body corporate to consider whether to make a decision referred to in subparagraph (b)(ii) unless the body corporate has consented to the transfer; and

(b) *Consent of body corporate to new care-taking arrangements*

- (i) If an operator receives a notice under subparagraph (a)(i), the operator must advise all body corporate members of the name of the person to whom the transfer is to be made; and
- (ii) Unless the body corporate has consented to the transfer, an operator does not have to transfer the management rights to the person named in the notice described in subparagraph (a)(ii) if a majority of body corporate members state in writing to the operator that the person should not be engaged by the body corporate to perform care-taking functions; and
- (iii) If a majority of body corporate members make a decision referred to in subparagraph (b)(ii), a majority of scheme members may then at any time name a replacement operator by a written notice, to whom the operator must transfer the management rights at a price specified in the notice and the notice will be taken to be given in accordance with subparagraph (a)(ii); and
- (iv) This subparagraph does not apply if the body corporate or a majority of body corporate members agree in writing to the transfer to the person named in a notice under subparagraph (a)(ii) or (b)(iii) before that notice is given to the operator; and

(c) *Price payable on transfer*

The price scheme members specify in a notice under subparagraph (b)(ii) must be one of the following:

- (i) the average of two valuations of the management rights by independent qualified valuers nominated by the Australian Property Institute (or another relevant independent professional body approved by ASIC); or
- (ii) the highest bona fide bid for the management rights (excluding a bid by the operator or its associates) at an auction of which at least 60 days' notice had been given; or
- (iii) the highest bona fide amount tendered (excluding any tender by the operator or its associates) for the management rights following reasonable efforts to market the property for at least 60 days; and

(d) *Voting*

- (i) In determining if there is a majority of scheme members or body corporate members, the operator and its associates and any person nominated as a replacement operator and associates of that person must not be counted; and
 - (ii) For scheme members, a majority is based on their entitlement to vote at body corporate meetings if there is a body corporate for the property to
-

which the scheme relates, and otherwise each member shall have one vote;
and

(iii) For body corporate members, a majority is based on their entitlement to vote at body corporate meetings; and

(iv) A scheme member or a body corporate member makes a decision by signing a document that sets out the decision; and

(e) *Costs*

(i) Any member may arrange a valuation or auction of, or may market, the management rights before or after the expiration of the 9 month period referred to in subparagraph (a)(i) for the purposes of determining a price to be specified in a notice under subparagraph (a)(ii); and

(ii) If a member incurs any reasonable valuation, auction or marketing costs under subparagraph (i) that member is entitled to be reimbursed out of the price payable by any person nominated by the members as transferee of the management rights when the price is paid to the operator; and

(f) *Assistance*

The operator must give reasonable assistance to enable the transferee to operate the resort, hotel, motel or serviced apartment complex including making available information concerning any prospective bookings; and

(g) *Definitions*

In this paragraph:

scheme members means investors in the scheme excluding the operator and its associates.

management rights means all real or personal property (including contractual rights) held by the operator or any of its associates that facilitates the operation of the scheme.

transfer in relation to management rights means to assign or transfer the management rights or to cause another person to become the holder of those rights or rights substantially the same as those rights.
