CORPORATIONS ACT 2001
SUBSECTION 283GB(1)
APPROVAL**

0 6 / 0 2 2 7

PURSUANT to paragraph 283GB(1)(c) of the Corporations Act 2001 ("the Act") the Australian Securities and Investments Commission ("ASIC") HEREBY GRANTS APPROVAL to Forrest Equities Pty Ltd Pty Ltd ACN 009 456 339 ("the Trustee") to act as trustee for the holders ("Noteholders") of convertible notes, issued or proposed to be issued by Dragon Mining NL ACN 009 450 051 ("the Issuer") for an amount no more than \$20,000,000 ("Notes"), pursuant to the convertible note trust deed dated 19 December 2005 made between the Issuer and the Trustee and as amended by an amending trust deed dated 22 February 2006 made between the Issuer, the Trustee, and NKH Pty Ltd ACN 009 032 240 ("NKH") (together "the Deed").

This approval is granted on condition that the Trustee complies with the following conditions.

- 1 The Trustee must notify ASIC where it or any of the Trustee's employees or agents who are to exercise powers or perform functions under the Deed on behalf of the Trustee or any of its directors or secretaries or executive officers ("Officers") have (whether before or after the granting of this approval):
 - (i) been found by a court to have committed an offence that may be punishable (in the case of a natural person) by a fine of more than \$1000 or any term of imprisonment (other than an offence the subject of a spent conviction as defined in the Crimes Act 1914); or
 - (ii) to the knowledge of the Trustee engaged in serious misconduct that may reasonably be seen as giving rise to doubts as to their good character and honesty; or
 - (iii) been disqualified from acting as a director of a company or been disqualified, banned or suspended for more than six months from holding a licence under the Act or membership of any professional association.

This condition does not apply in relation to matters the Trustee has previously disclosed to ASIC in its application for approval as a trustee, or for the purposes of a condition of approval under paragraph 283AC(1)(f) of the Act. The notification to ASIC must set out the details of the offence, misconduct or disqualification.

- 2 The Trustee must notify ASIC of any change resulting in the Trustee being required to perform functions not normally required of a trustee in relation to a note trust deed and notes of this kind. The Trustee must include details of the change and the new functions.
- 3 The Trustee must notify ASIC of all changes to the engagement of any of its Officers (including changes in the workplace of staff, their function and staff terminations) that may materially adversely affect the Trustee's ability to

2

06/0227

exercise its powers or to perform its functions under the Deed ("Functions"). In particular the Trustee must notify ASIC of any reduction in its staff levels in the location of the principal place of business of the Issuer that may materially adversely affect its capacity to perform its Functions.

- 4 The Trustee must notify ASIC if it appears likely that its net asset position (based on assets and liabilities as would be reported in general purpose financial reports) has fallen more than 5% from that most recently reported to ASIC in connection with its approval as trustee or for the purposes of a condition of approval under paragraph 283AC(1)(f) of the Act.
- 5 The Trustee must notify ASIC if it becomes aware of a contingent liability that:
 - (i) would be required to be disclosed in the Trustee's statutory accounts prepared as general purpose financial accounts if it was a company; and
 - (ii) if it was an actual liability would require the Trustee to notify ASIC under condition 4 of this approval.
- 6 The Trustee must notify ASIC where the Trustee has reason to believe that the Trustee is not a going concern.
- 7 The Trustee must notify ASIC of any breach of the Deed, the Act as it applies in relation to the Deed, or any of these conditions that:
 - (i) may reasonably be considered materially prejudicial to any Noteholders under the Deed; or
 - (ii) otherwise, continues for 30 days from the date of the breach.

The Trustee must provide details of the breach and action it has taken or proposes to take to remedy the breach.

- 8 The Trustee must notify ASIC if it has reason to suspect that any of the following circumstances apply, or apply to a greater extent, except as previously disclosed to ASIC and must make reasonable enquiries from time to time to ascertain if these circumstances have occurred:
 - (i) subject to section 283AD of the Act, if any of the matters set out in subsection 283AE(2) of the Act occur whether by leave of the Court or not;
 - (ii) the Trustee or any of its Officers is an officer, executive officer or employee of the Issuer or any holding company of the Issuer;
 - (iii) the Trustee, any holding company of the Trustee or any Officer of the Trustee beneficially holds any shares in the Issuer or any holding company of the Issuer;
 - (iv) the Issuer, any holding company of the Issuer or any agent or employee of the Issuer who performs Functions of the Issuer or any director,

executive officer or secretary of the Issuer beneficially holds any voting shares of the Trustee or any holding company of the Trustee;

- (v) the Trustee is a related body corporate of the Issuer;
 - (vi) the Trustee or any Officer of the Trustee beneficially owes money to, or is beneficially owed money by, the Issuer or any holding company of the Issuer except moneys owed under a banking facility extended in the normal course of banking business; or
 - (vii) there is any commercial or other relationship, other than as set out in paragraphs (i) to (vi) above, between the Trustee, any body corporate related to the Trustee, or any Officer of the Trustee on the one part and the Issuer, any body corporate related to the Issuer, or any agent or employee of the Issuer who performs functions of the Issuer or any director, executive officer or secretary of the Issuer on the other part that is likely to cause a conflict between the duties of the Trustee and the other duties or interests of the Trustee or any of its Officers.
- 9 The Trustee must maintain management systems and internal controls that give reasonable assurance that the Trustee will perform its Functions as Trustee under the Deed, the conditions of this approval and the Act ("Compliance System").
- 10 The Trustee must ensure an executive director signs a report after the end of each of its financial years reporting on the adequacy of the Trustee's Compliance System and including any information ASIC directs from time to time ("Compliance Report"). The Compliance Report must be tabled at a meeting of the Trustee's board of directors within two months after the end of each financial year and a resolution must be passed as to whether the directors consider the Compliance System is adequate.
- 11 The Trustee must ensure that its auditor states substantially in such form as ASIC requires whether there is any matter or thing that has come to the auditor's attention to cause the auditor to disagree with the information contained in the Compliance Report or the resolution passed by the board of directors. The auditor is not required to do any testing or seek any information to assist in determining if there is reason to disagree apart from that required on a statutory audit of a company other than to read the Compliance Report and relevant ASIC policy on approval of trustees. The Trustee must lodge with ASIC the auditor's statement on the Compliance Report within four months of the end of its financial year together with a copy of the Compliance Report.
- 12 The Trustee must lodge a copy of the resolution of the board referred to in condition 10 above certified as true by the secretary if the resolution is other than that the Compliance System is adequate or if ASIC so requests.
- 13 The Trustee must lodge a copy of its accounts prepared as general purpose financial accounts and complying with the Act, together with a report by a registered company auditor as would be required if it was a public company by Division 3 of Part 2M.3 of the Act and within the period in which it

would be required to lodge the copy of the accounts if it was a public company.

- 14 The Trustee must maintain professional indemnity insurance satisfactory to ASIC in all respects, including that the sum insured for any one claim is not less than the value (including any interest payable) of the Notes on issue from time to time.
- 15 The Trustee must notify ASIC of any material amendment to the terms of its professional indemnity insurance and of any claims made. A material amendment includes an amendment which reduces the level of the Trustee's insurance cover.
- 16 The Trustee must notify ASIC of any change in its corporate status.
- 17 The Trustee must notify ASIC of any material amendment to the terms of any agreement with any person that the Trustee has advised ASIC it relies upon to demonstrate it has the resources required for this approval by ASIC. An amendment will be taken to be material if it reduces the ability of the Trustee to access that resource from a source other than the Issuer throughout the duration of the Deed.
- 18 The Trustee must maintain a drawdown facility (which term includes a bank guarantee, performance bond or line of credit) ("Facility") for at least \$250,000 satisfactory to ASIC in all respects.
- 19 The Trustee must notify ASIC of the following:
 - (i) Any drawing on the Facility.
 - (ii) Any material amendment to the terms of the Facility. A material amendment includes an amendment which reduces the amount able to be drawn on the Facility by the Trustee.
 - (iii) The Trustee not maintaining the Facility for any reason.
20. The Trustee must ensure that the guarantee given by NKH ("Guarantor") pursuant to the Deed to guarantee the performance and obligations of the Trustee, continues to meet the following requirements:
 - (i) the guarantee is an enforceable and unqualified guarantee to the Noteholders of the performance by the Trustee of its duties as trustee for the purposes of the Deed;
 - (ii) except as disclosed to ASIC, there is no principle of law or circumstance that may arise (other than by the normal operation of law in the event of insolvency of the Guarantor) that may adversely affect a Noteholder's right to recover from the Guarantor any losses the Noteholder may suffer caused by a failure of the Trustee to perform its obligations as trustee that would be recoverable from the Trustee if the Trustee was solvent; and
 - (iii) the guarantee is irrevocable and remains operative in any circumstance including the Trustee ceasing to be trustee or its approval being revoked.

5

06/0227

- 21 The Trustee must ensure that the Guarantor will comply with conditions 4 to 8 inclusive, as if the references to the Trustee therein are references to the Guarantor.

- 22 The Trustee must make all notifications required by these conditions promptly and in writing and in any event within seven days of the occurrence of the event or circumstance giving rise to the obligation to notify. All notifications and lodgements must be addressed to the signatory of this approval or such other person as nominated in writing by ASIC from time to time.
