Orion Telecommunications - Panel Final Orders

Corporations Act
Section 657D
Final Orders

In the matter of Orion Telecommunications Limited

Pursuant to section 657D of the Corporations Act 2001 (**Act**) and pursuant to a declaration of unacceptable circumstances made by the Panel on 3 August 2006, the Takeovers Panel HEREBY ORDERS:

Divestment order

- (1) that the legal title to and beneficial ownership of the ordinary shares in Orion Telecommunications Ltd (**Orion**) listed in Schedule 1 (the **Sale Shares**) be vested in the Australian Securities and Investments Commission (**ASIC**) by the transfer of the Sale Shares from the holders to ASIC for ASIC to:
 - (a) sell the Sale Shares; and
 - (b) subject to any requirement arising under a Tax Law, account to the persons who, immediately before the making of this order, were the registered holders of the relevant Sale Shares for the proceeds of sale, net of the costs, fees and expenses of the sale and any costs, fees and expenses incurred by ASIC, or which ASIC reasonably incurs, or estimates it will incur, in complying with these orders (even where those costs, fees or expenses are incurred in relation to any earlier unsuccessful attempt to sell the Sale Shares). If ASIC considers there to be a reasonable doubt as to whether a requirement has arisen under a Tax Law, ASIC is not required to so account for that proportion of the proceeds relating to the apparent requirement until it has determined whether a requirement has, in fact, arisen;
 - (2) that ASIC retain an investment bank or licensed stock broker (**Appointed Seller**) which:
 - (a) ASIC considers to be appropriately licensed to conduct the sale; and
 - (b) provides to ASIC a statutory declaration that, having made proper inquiries, the Appointed Seller is not aware of any interest, past, present,

- (4) without limiting ASIC's ability to seek further orders, that ASIC seek further orders from the Panel if the Appointed Seller is unable to dispose of the whole parcel within 6 weeks from the date of engagement of the Appointed Seller, without, in its reasonable opinion acting as expert, unduly depressing the market price of Orion ordinary shares;
- (5) that each person who immediately before the making of this order, was a legal or beneficial owner of Sale Shares must not sell, transfer, mortgage or otherwise deal with the Sale Shares (except to give effect to the vesting or sale), or exercise the votes attached to the Sale Shares, until the vesting is completed by registration of a transfer or transmission of the Sale Shares (**Transfer**);

Declaration of Unacceptable Circumstances

In the matter of Orion Telecommunications Limited

WHEREAS

1. The Takeovers Panel (**Panel**) has received an application from Orion Telecommunications Limited (**Orion**) in relation to the affairs of Orion.
2. As at 24 April 2006 TelEurope Ltd had a relevant interest in 19.9% of Orion shares, and Lewis Securities Ltd, together with the associates listed in its substantial holder notice dated 20 June 2006, (**Lewis Associates**) had relevant interests in 6.66% of Orion shares. In all substantial holder notices given to Orion by each of TelEurope Ltd and the Lewis Associates after 24 April 2006:
 - (a) the Lewis Associates have not disclosed TelEurope Ltd as an associate (nor vice versa); and
 - (b) the Lewis Associates have not included Orion shares in which TelEurope Ltd had a relevant interest as part of their substantial holding (nor vice versa).
3. Between 24 April 2006 and 30 June 2006, the Lewis Associates acquired approximately 5.4% of Orion shares.
4. On the basis of the evidence presented in the proceedings, the Panel finds that by 24 April 2006, TelEurope Ltd, Mr Lewis and Lewis Securities Ltd had formed an understanding that they would use their combined voting power (if necessary) for the purpose of influencing the composition of Orion's board and the conduct of Orion's affairs.
5. The Panel also finds that in furtherance of the understanding referred to in recital 4, TelEurope Ltd, Mr Lewis and Lewis Securities Ltd acted in concert with respect to the operations of, and the composition of the board of, Orion.
6. As a result of the matters described in recitals 4 and 5, TelEurope Ltd, Mr Lewis and Lewis Securities Ltd have been associates in relation to Orion under paragraphs (b) and (c) of section 12(2) of the Corporations Act since at least 24 April 2006 and accordingly:
 - (a) the failure of each of TelEurope Ltd and Lewis Securities Ltd to disclose their association and the relevant interests of the other in their substantial holding notices, as described in recital 2 above, constitutes or gives rise to a contravention of section 671B of the Corporations Act; and
 - (b) the acquisitions of Orion shares described in recital 3 above constitute or give rise to a contravention of section 606(1) of the Corporations Act.

The Panel considers that it would not be against the public interest to make a declaration of unacceptable circumstances.

2

06/0749

Under section 657A of the Corporations Act, the Takeovers Panel declares that the circumstances relating to:

- (a) the understanding between TelEurope Ltd, Mr Lewis and Lewis Securities Ltd (as discussed in recital 4);
- (b) TelEurope Ltd, Mr Lewis and Lewis Securities Ltd acting in concert (as discussed in recital 5);
- (c) the failure of each of TelEurope Ltd and Lewis Securities Ltd to disclose their association and the relevant interests of the other in their substantial holding notices (as discussed in recital 2); and
- (d) the acquisitions of Orion shares by the Lewis Associates (as discussed in recital 3),

constitute unacceptable circumstances in relation to the affairs of Orion.
