09-00419

Interpretation

In this instrument,

"Explanatory Memorandum" means the document to be given to IWI unitholders in relation to the Reconstruction that contains all the information that unitholders of IWI would reasonably require and expect to be given to make an informed decision about the Reconstruction; and

"Reconstruction" means the restructure of IWI whereby:

- (a) IWI unitholders will be issued shares in IWIFHL in consideration for the transfer of IWI's assets to IWIFHL following which the units in IWI will be cancelled and IWI will be delisted;
- (b) IWI unitholders will receive a class of share in IWIFHL to which the rights attached are substantially the same as their rights in IWI; and
- (c) there is no change to the underlying business or assets as a result of the transfer of IWI's assets to IWIFHL such that IWI unitholders are not considered to be making a new investment decision.
