3. The Top-up Note would operate to pay electing shareholders an additional cash payment that would match an increase in the offer price for Consolidated Minerals shares under the Palmary Offer, subject to the conditions set out in Pallinghurst's second supplementary bidder's statement. The cash payment under the Top-up Note (if any) would be payable even if it was triggered after the Pallinghurst Offer had closed.

    - (b) the purposes of Chapter 6 of the Act as set out in section 602 of the Act.
  5. The Panel considers that it is not against the public interest to make a declaration of unacceptable circumstances in relation to the Circumstances and the affairs of Consolidated Minerals.
  6. The Panel has had regard to the matters in subsection 657A(3) of the Act, but has not had regard to whether the Circumstances constitute, will constitute or are likely to constitute or give rise to a contravention of Chapters 6, 6A, 6B or 6C of the Act.
