  - (b) satisfying the hardship withdrawal request would not breach the person's hardship withdrawal cap; and
  - (c) any amount paid on withdrawal to an operator will be paid to the person who asked the operator to make a hardship withdrawal request after deduction of any fees and charges payable to the operator.

Note: In making any payment to a person on whose behalf a request for hardship withdrawal has been made, an operator must comply with any obligations under the terms of the relevant trust or arrangement under which it acts and other applicable laws. For example the responsible entity of a registered scheme must comply with Part 5C.6 as modified by any relief applicable to that scheme and the trustee of a superannuation entity or self managed superannuation fund must comply with requirements under the Superannuation Industry (Supervision) Act 1993.
