General Principles

3. The purpose of the Memorandum of Understanding is to protect investors and to promote the integrity of the securities markets by providing a framework for co-operation, including channels for communication, increased mutual understanding, the exchange of information and investigative assistance permitted by laws and practices.

4. The Memorandum of Understanding does not modify or supersede any laws or regulatory requirements in force, or applying to, Australia or Thailand. The Memorandum of Understanding does not create any rights enforceable by third parties. The Memorandum of Understanding does not affect arrangements under other Memorandums of Understanding.

Scope of Assistance

5. The Authorities intend that the fullest mutual assistance is provided within the framework of the Memorandum of Understanding. Such assistance will be provided to facilitate the exchange of information between the Authorities in connection with investigations to determine whether any person has violated the laws and regulations of the requesting Authority or to conduct any enforcement proceedings related thereto.

6. Assistance available under this Memorandum of Understanding includes:

- (a) providing access to information in the files of the requested Authority;
- (b) obtaining information and documents from persons; and
- (c) taking the evidence of persons.

7. This Memorandum of Understanding does not affect the ability of the Authorities to obtain information from persons on a voluntary basis, provided that any procedures in place in the jurisdiction of each Authority for the provision of such information are observed.

Unsolicited Assistance

8. To the extent permitted by the laws and practices of its jurisdiction, each Authority will use reasonable efforts to provide the other Authority with any information it discovers which gives rise to a suspicion of a breach, or anticipated breach, of the laws and regulations of the other Authority.

Requests for Assistance

9. Requests for assistance will be made in writing and addressed to the requested Authority's principal point of contact listed in Appendix A.

10. The request for assistance will specify the following:

- (a) a description in general terms of the subject matter of the request and of the facts of the matter including in particular:
 - (i) the conduct under investigation;
 - (ii) any periods of time to which the request relates; and

- (b) a description in general terms of the assistance sought;
- (c) the purpose for which the assistance is sought;
- (d) a copy of the specific sections of the laws and regulations pertaining to the matter which is the subject of the request and a statement of the way in which the facts give rise to a belief or suspicion that the law has been, or may have been, contravened;
- (e) a statement as to whether the requesting Authority has sought, or could conveniently seek from another source, the information, evidence or documents to which the request relates;
- (f) the purpose for which the information, evidence or documents is to be used or may at any future time be used;
- (g) whether the requesting Authority desires to receive the information in a single transmission or as and when each item of information becomes available;

- (h) the name, telephone number, and fax number of an officer of the requesting Authority who is familiar with the subject matter of the request and who will be available to answer queries or clarify matters relating to the request if asked to do so by the requested Authority; and
- (i) the desired time period for the reply.

11. In urgent cases, a request for assistance and a reply to such a request may be effected by summary procedures or other means mutually agreed upon by the Authorities, provided that all such communications are confirmed in the manner required by paragraph 9 and 10.

Execution of Requests for Assistance

12. Each request will be assessed on a case-by-case basis by the requested Authority to determine whether assistance can be provided under the terms of the Memorandum of Understanding. If the request cannot be accepted completely, the requested Authority will consider whether other assistance may be provided.

13. In deciding whether to accept or decline a request, the requested Authority will take account of:

- (a) the laws and regulations of the jurisdiction of the requested Authority;
- (b) whether the request involves an assertion of jurisdiction not recognised by the requested Authority; and
- (c) whether it would be contrary to the public interest or public policy to provide the assistance sought.

Permissible Uses of the Information

14. The information supplied under the Memorandum of Understanding will be used by the Authorities solely:

- (a) for the purpose stated in the request with respect to ensuring compliance with or enforcement of the laws and regulations of the requesting Authority including the legal provisions specified in the request and related provisions; and
- (b) for any purpose within the general framework of the use stated in the request and consistent with paragraph 5, including an investigation to determine whether any person has violated the laws and regulations of the requesting Authority.

15. The requesting Authority will not use the information furnished pursuant to this Memorandum of Understanding for any purpose other than those stated in paragraph 14 unless it has first informed the requested Authority of its intention and the requested Authority has not objected to such intended use.

16. The Authorities will not:

- (a) pass the information furnished pursuant to this Memorandum of Understanding to any person, law enforcement agencies or regulatory bodies; or
- (b) inform any person, law enforcement agencies or regulatory bodies of a request under the Memorandum of Understanding;

unless:

- (c) such persons, agencies or bodies have responsibility for prosecuting, regulating or enforcing the laws and regulations of the requesting Authority;
- (d) the purpose for passing such information to such person, agency or body falls within the laws and regulations of the requesting Authority; and
- (e) the passing of such information is not contrary to any undertaking in relation to the requested information required by the law of the jurisdiction of the requested Authority and provided by the requesting Authority.

Confidentiality

17. Each Authority will keep confidential to the extent permitted by law:

- (a) any request for information made under this Memorandum of Understanding and any matters arising in the course of its operation;
- (b) any information received under this Memorandum of Understanding.

18. The confidentiality obligations in paragraph 17 will not apply if:

- (a) disclosure of the material in question is necessary to carry out the request as specified in accordance with paragraph 10; or
- (b) The Authority from which the request or information originates waives the obligations in respect of that material.

19. If an Authority becomes aware that information received under this Memorandum of Understanding may be subject to a legally enforceable demand to disclose, it will, to the extent permitted by law, inform the other Authority of the situation. The Authorities will then discuss and determine the appropriate course of action.

20. Once the matter for which assistance has been requested under this Memorandum of Understanding has terminated, either Authority may request the return by the other Authority, to the extent permitted by law, of:

- (a) any material received under the Memorandum of Understanding;
- (b) any copies of such material;
- (c) anything disclosing the nature of such material, other than that which is generated as part of the deliberative or internal analytical process of the other Authority.

21. If an Authority has reason to believe that the other Authority has or is likely to use or disclose material referred to in paragraph 20 for purposes other than those for which it was supplied, it may require the return to the extent permitted by law of that material before such use or disclosure.

Consultations

22. The Authorities will consult in the event of a dispute on the interpretation of this Memorandum of Understanding.

23. The Authorities may consult informally, at any time, about a request or proposed request.

24. The Authorities may consult and revise the terms of this Memorandum of Understanding in the event of a substantial change in laws and regulations, practices, conditions or any other matter affecting its operation.

25. The Authorities may agree on such practical measures as may be necessary to facilitate the implementation of this Memorandum of Understanding.

Termination

26. This Memorandum of Understanding will continue to have effect until terminated by either Authority. An Authority may terminate this Memorandum of Understanding by giving 30 days' written notice to the other Authority that the understanding set out herein is no longer to have any effect.

27. If an Authority gives notice that this Memorandum of Understanding is to be terminated, it will continue to have effect with respect to all requests for assistance which are made before the effective date of notification until the requesting Authority terminates the matter for which assistance was requested.

Contact Points

28. All communications between the Authorities should be between the principal points of contact listed in Appendix A, unless otherwise agreed.

29. An Authority may change its principal point of contact by giving notice in writing to the other Authority, without the need for the re-signing of this Memorandum of Understanding.

Entry into Effect

30. This Memorandum of Understanding will be effective, after it is signed by the Australian Securities Commission and the Office of the Securities and Exchange Commission of Thailand.

Signed this eighteenth day of April 1997 in Beijing, the People's Republic of China.
