  - (a) a financial service consisting of general advice reasonably given in connection with the eligible incentive plan offer (including any general advice given in the offer document) where the issuer ensures that the offer document for the offer includes a statement to the effect that any advice given by the issuer in connection with the offer is general advice only, and that employees should consider obtaining their own financial product advice from an independent person who is licensed by ASIC to give such advice;

  - (b) the person who made the recommendation is not aware, and ought not reasonably to be aware, that any of the conditions set out in this instrument have not been met;
- but only in relation to the recommendation by the person.

**Where this instrument applies**

8. This instrument applies where the issuer:
- (a) meets the requirements (including, for the avoidance of doubt, definitions) of the class order, except the definitions of:
    - (i) “eligible offer” in paragraph 9 of the Interpretation; and
    - (ii) “issuer” in paragraph 12 of the Interpretation; and
    - (iii) “offer document” in paragraph 15 of the Interpretation; and

14-0785

- (i) the definition of an “eligible offer” in paragraph 9 of the Interpretation was to read:
- “9. “eligible offer” means an offer for issue or sale of performance rights in relation to fully-paid shares in an issuer in the same class as shares which have been quoted on the financial market operated by the NASDAQ Global Select Market throughout the 12 month period immediately before the offer without suspension for more than a total of 2 trading days during that period made under an employee share scheme extended only to eligible employees of the issuer;” and
- (ii) in the Interpretation, the following definition was inserted:
- “9A. “employee share scheme”, for a body corporate, means a scheme under which shares (or units of shares or options to acquire unissued shares or performance rights) in the body or a related body corporate may be acquired:
- (a) by, or for the benefit of:
- (i) employees of the body, or of the related body corporate; or
- (ii) directors of the body, or of a related body corporate, who hold a salaried employment or office in the body or in a related body corporate; or
- (b) by a corporation all of whose members are:
- (i) employees of the body, or of a related body corporate; or
- (ii) directors of the body, or of a related body corporate, who hold a salaried employment or office in the body or in a related body corporate;” and
- (iii) in the definition of an “offer document” in paragraph 15 of the Interpretation, subparagraphs (c) and (d) were to read:
- “(c) specifies in respect of the performance rights or the shares to which the performance rights relate:
- (i) the acquisition price in Australian dollars;
- (ii) where the acquisition price is specified in a foreign currency, the Australian dollar equivalent of that price at the date of the eligible offer; or

## 14-0785

- (iii) where the acquisition price is to be worked out in the future under a formula, the Australian dollar or Australian dollar equivalent of that price were the formula applied at the date of the eligible offer; and
- (d) includes an undertaking, and an explanation of the way in which, the issuer who has a registered office in this jurisdiction will, during the period in which an eligible employee may acquire the shares, within a reasonable period of the employee requesting, make available to the employee:
  - (i) the current market price (or, where that price is denominated in a foreign currency, the Australian dollar equivalent of that price) of the shares to which the performance rights relate; and
  - (ii) where sub-subparagraph (c)(ii) or (iii) applies, the information referred to in that subparagraph as updated to that date.”; and
- (iv) in the Interpretation, the following definition was inserted:

“16A. “performance right” means a conditional right:

  - (a) to be issued a fully-paid ordinary share in the capital of the issuer; or
  - (b) to receive a cash amount equivalent to the value of a fully-paid ordinary share in the capital of the issuer; or
  - (c) either to be issued a fully-paid ordinary share in the capital of the issuer or to receive a cash amount equivalent to the value of such a share; or
  - (d) to receive cash to the value of any dividend paid on a fully-paid ordinary share in the capital of the issuer, less any tax or other payment that the issuer is required by law to withhold,

where the performance right is offered for no more than nominal monetary consideration;”.

**Conditions**

- 9. The issuer can only rely on the exemptions in this instrument if the issuer complies with the following conditions:
  - (a) the conditions of the class order (excluding the condition specified in paragraph 3 of the Schedule to the class order) as expressed to apply to them; and

## 14-0785

- (b) the issuer must take reasonable steps to ensure that the number of shares that may be issued in connection with any eligible incentive plan offer, when aggregated with:
- (i) the number of shares in the same class which would be issued were every other outstanding offer with respect to shares, units of shares, options to acquire unissued shares and performance rights under every other employee share scheme of the issuer to vest or to be accepted or exercised;
  - (ii) the number of shares in the same class issued during the previous 5 years pursuant to:
    - (A) an eligible incentive plan offer extended only to eligible employees; and
    - (B) any other employee share scheme extended only to eligible employees of the issuer;
- but disregarding any offer made, option or right acquired or share issued by way of or as a result of:
- (iii) an offer to a person situated at the time of receipt of the offer outside this jurisdiction; or
  - (iv) an offer that did not need disclosure to investors because of section 708 of the Act; or
  - (v) an offer that did not require the giving of a Product Disclosure Statement because of section 1012D of the Act; or
  - (vi) an offer made under a disclosure document or Product Disclosure Statement,

must not exceed 5% of the total number of issued shares in that class of the issuer as at the time of the offer.
