INFRINGEMENT NOTICE

Section 12GXA of the *Australian Securities and Investments Commission Act 2001*

Day of issue: 31 August 2015
Unique identification code: A4524676

TO: O.C.M. Online Capital Markets Pty Ltd
ACN 140 899 476
Level 2, 19-21 Hunter Street,
SYDNEY NSW 2000 Australia

1. ASIC issues this infringement notice under section 12GXA of the *Australian Securities and Investments Commission Act 2001 (ASIC Act)*.
2. ASIC has reasonable grounds to believe that you have contravened an infringement notice provision as follows:

From 24 September 2014 to 30 September 2014 (Relevant Period), you contravened paragraph 12DB(1)(e) of the ASIC Act by, in trade or commerce, in connection with the supply or possible supply of financial services, or in connection with the promotion by any means of the supply or use of financial services, making a false or misleading representation that services had sponsorship, approval, performance characteristics, uses or benefits.

Particulars

During the Relevant Period, you made the following representation in webpages in connection with the promotion of the supply of financial services or use of financial services supplied by you:

" LEARN HOW YOU CAN INCREASE YOUR MONTHLY INCOME

...

I was able to get started with Forex trading immediately because of the amazing help of my personal trainer.

XFOREX Trade Online"

(the Representation)

ASIC is concerned that the Representation was likely to lead an ordinary reasonable consumer to believe that your services could be used to consistently increase their monthly income.

The Representation was misleading because:

- (a) **your service cannot be used to consistently increase a person's monthly income because Margin Foreign Exchange Derivatives and Contracts for Difference trading is high risk, highly volatile and does not guarantee profits; and**
- (b) **you failed to give due emphasis to the risks of using the services supplied by you because the statement that "Forex products are leveraged products and trading forex therefore involves a high level of risk that may not be suitable for everyone" (the Risk Statement), although it was on the same webpage, was not sufficiently prominent to prevent the Representation being misleading. The Risk Statement was in small print, in a dense block, at the foot of the webpage and with no asterisk or other indicator linking the Risk Statement with the Representation.**

Penalty under this notice

- 3. The penalty payable under this notice in relation to the alleged contravention is \$10,200.
This penalty is payable to ASIC on behalf of the Commonwealth.
This penalty can be paid using one of the methods detailed in the enclosed invoice.

11.
