Dear Sir / Madam

RE: Market Makers Insider

The Australian Securities and Investments Commission (ASIC) is responsible for the regulation of financial services in Australia.

It has come to ASIC's attention that an entity identified as 'Market Makers Insider' or 'MMI Forex' (the entity) is operating the website at forexmarketmakers.info (the website).

The website displays the photo of ASIC Chairman James Shipton, falsely portraying him as the CEO of MMI, and falsely claims to buy ASIC Insurance.

ASIC confirms that these representations are false.
