Australian Securities and Investments Commission
Corporations Act 2001 – Paragraphs 283GA(1)(a), 601QA(1)(a), 741(1)(a), 911(2)(l),
992B(1)(a), 1020F(1)(a) – Exemptions

Disclosure and other relief for offers involving a contribution plan

1. Under paragraphs 283GA(1)(a), 741(1)(a) and 1020F(1)(a) of the Corporations Act 2001 (*the Act*), the Australian Securities and Investments Commission (*ASIC*) exempts:

(a) the Issuer from:

- (i) Parts 2L.1, 2L.2, 2L.3, 2L.4 and 2L.5;
- (ii) Parts 6D.2 and 6D.3 (except section 736); and
- (iii) Part 7.9;

where the Issuer:

- (iv) makes an eligible offer;
- (v) offers to arrange for the issue of financial products under an eligible offer; or
- (vi) issues a financial product under an eligible offer;

that involves a contribution plan but does not involve the Issuer or any associated body corporate offering any eligible employee of the Issuer a loan or similar financial assistance for the purpose of, or in connection with, the acquisition of financial products to which the offer relates, on the conditions set out in the Schedule and for so long as the conditions are met; and

(b) a person (other than the person covered by paragraph (a)) from Part 7.9 where the person makes a recommendation to acquire financial products under an eligible offer to which paragraph (a) relates, except where the person is aware, or ought reasonably to be aware, that any of the conditions set out in the Schedule have not been met.

2. For the avoidance of doubt, under paragraph 601QA(1)(a) ASIC exempts a person who operates a managed investment scheme only by reason of operating a contribution plan relating to an eligible offer to which paragraph (a) relates from section 601ED in relation to the operation of that managed investment scheme.

Licensing and hawking relief

3. Under paragraph 911A(2)(l) ASIC exempts the Issuer from the requirement to hold an Australian financial services licence for the provision of a financial service consisting of general advice reasonably given in connection with an offer referred to in

11-0172

paragraph 1 of this instrument (including any general advice given in the offer document) where the offer document for the offer includes a statement to the effect that any advice given by the person in connection with the offer is general advice only, and that employees should consider obtaining their own financial product advice from an independent person who is licensed by ASIC to give such advice.

4. Under paragraph 911A(2)(l) ASIC exempts the Issuer and any associate of the Issuer from the requirement to hold an Australian financial services licence for the provision of the following financial services:

- (a) the provision of a custodial or depositary service in connection with an offer referred to in paragraph 1 of this instrument where the provider of the service performs their duties in good faith and has sufficient resources to perform those duties; and
- (b) dealing in a financial product in the course of providing a custodial or depositary service covered by paragraph (a); and
- (c) dealing in a financial product in connection with an offer referred to in paragraph 1 of this instrument where any acquisition by purchase or disposal of the product (by the issuer or an associate) occurs either:
 - (i) through a person who holds an Australian financial services licence authorising the holder to deal in financial products or a dealers licence issued under the old Corporations Act authorising the holder to deal in securities; or
 - (ii) outside this jurisdiction and through a person who is licensed or otherwise authorised to deal in financial products in the relevant place; and
- (d) in the case where the exemption in paragraph 2 of this instrument applies – dealing in an interest in a managed investment scheme that is exempt from section 601ED because of that paragraph.

5. Under paragraphs 741(1)(a) and 992B(1)(a) ASIC exempts the Issuer from sections 736, 992A and 992AA in relation to offers made in the course of, or because of, unsolicited meetings or telephone calls reasonably held or made in connection with an offer referred to in paragraph 1 of this instrument.

Schedule

The following conditions apply:

1. the Issuer must:

- (a) include the offer in an offer document; and
- (b) take reasonable steps to ensure that any eligible employee to whom the offer is made is given a copy of the offer document; and

11-0172

(c) provide to ASIC a copy of the offer document (which need not contain details of the offer particular to the employee such as the identity or entitlement of the employee) and of each accompanying document not later than 7 days after the first provision of that material to an employee; and

2. the Issuer must comply with any undertaking required to be made in the offer document by reason of this instrument; and
3. where the Plan involves the issue of shares (including as a result of the exercise of an option or as a component of stapled securities), the Issuer must take reasonable steps to ensure that the number of shares the subject of the offer or to be received on exercise of an option when aggregated with:

(a) the number of shares in the same class which would be issued under each outstanding offer with respect to shares, units of shares and options to acquire unissued shares, under an employee share scheme to be accepted or exercised; and

(b) the number of shares in the same class issued during the previous 5 years pursuant to the Plan or any other employee share scheme extended only to eligible employees of the issuer;

but disregarding any offer made, or option acquired or share issued by way of or as a result of:

(c) an offer to a person situated at the time of receipt of the offer outside this jurisdiction; or

(d) an offer that was an excluded offer or invitation within the meaning of the Corporations Law as in force before the commencement of Schedule 1 to the *Corporate Law Economic Reform Program Act 1999*; or

(e) an offer that did not need disclosure to investors because of section 708; or

(f) an offer that did not require the giving of a Product Disclosure Statement because of section 1012D; or

(g) an offer made under a disclosure document or Product Disclosure Statement;

must not exceed 5% of the total number of issued shares in that class of the Issuer as at the time of the offer; and

4. in the case where an offer of shares is made through a trust:

(a) the trustee must hold the shares on trust for each person (a “beneficiary”) who acquires units of shares under an eligible offer; and

11-0172

(b) the trustee must cause proper written financial records to be maintained in respect of the activities of the trust and cause those records to be audited annually and made available for inspection by the beneficiaries at an office of the trustee or a place of business of the issuer during normal business hours or such other time as is agreed with beneficiaries; and

(c) the trustee must ensure that each share to which a unit held by a beneficiary relates is identified in the written financial records as being held on account of that beneficiary; and

(d) the trustee must not levy any fees or charges for operating and administering the trust, either payable directly by the beneficiaries or out of the assets of the trust; and

(e) except as expressly provided by the trust deed, a beneficiary must have the capacity to authorise the trustee to sell at or above the current market price the shares to which he or she is entitled to under the deed; and

(f) the trustee must provide a copy of the trust deed to ASIC at the same time as a copy of the offer document is provided to ASIC in accordance with this instrument; and

(g) the Issuer must ensure that the trust deed contains covenants binding the trustee and their agents, if any, to the effect that a beneficiary possesses substantially the same rights in respect of the shares to which the units of shares they hold relate as if they were the legal owner of the shares, including the right to:

(i) direct the trustee how the voting rights attaching to the shares shall be exercised, either generally or in any particular case; and

(ii) receive the income deriving from the shares, including dividends declared by the issuer in respect of those shares.
