- (c) A transfer referred to in paragraphs (a) or (b) must be done as soon as practicable, but if there is a body corporate for the real property to which the scheme relates, there must be a reasonable time for members of the body corporate to consider whether to make a decision referred to in paragraph 2(b) unless the body corporate has consented to the transfer.

05 / 1193

2. *Consent of body corporate to new care-taking arrangements*

- (a) If an operator receives a notice under paragraph 1(b) of this Schedule, the operator must advise all body corporate members of the name of the person to whom the transfer is to be made.
- (b) Unless the body corporate has consented to the transfer, an operator does not have to transfer the management rights to the person named in the notice described in paragraph 1(b) of this Schedule if a majority of body corporate members state in writing to the operator that the person should not be engaged by the body corporate to perform care-taking functions.
- (c) If a majority of body corporate members make a decision referred to in paragraph 2(b) of this Schedule, a majority of scheme members may then at any time name a replacement operator by a written notice, to whom the operator must transfer the management rights at a price specified in the notice and the notice will be taken to be given in accordance with paragraph 1(b) of this Schedule.
- (d) This paragraph 2 does not apply if the body corporate or a majority of body corporate members agree in writing to the transfer to the person named in a notice under paragraph 1(b) or 2(c) of this Schedule before that notice is given to the operator.

3. *Price payable on transfer*

The price scheme members specify in a notice under paragraph 1(b) of this Schedule must be one of the following:

4. *Voting*

- (a) In determining if there is a majority of scheme members or body corporate members, the operator and its associates and any person nominated as a replacement operator and associates of that person must not be counted.

05 / 1193

which the scheme relates, and otherwise each member shall have one vote.

- (c) For body corporate members, a majority is based on their entitlement to vote at body corporate meetings.
- (d) A scheme member or a body corporate member makes a decision by signing a document that sets out the decision.

5. *Costs*

- (a) Any member may arrange a valuation or auction of, or may market, the management rights before or after the expiration of the 9 month period referred to in paragraph 1(a) of this Schedule for the purposes of determining a price to be specified in a notice under paragraph 1(b) of this Schedule.
- (b) If a member incurs any reasonable valuation, auction or marketing costs under paragraph 5(a) of this Schedule that member is entitled to be reimbursed out of the price payable by any person nominated by the members as transferee of the management rights when the price is paid to the operator.

6. *Assistance*

The operator must give reasonable assistance to enable the transferee to operate the resort, hotel, motel or serviced apartment complex including making available information concerning any prospective bookings.
