Pursuant to subsection 257D(4) of the Act, ASIC exempts the person named in Schedule A from compliance with section 257D of the Act in the case referred to in Schedule B on the conditions specified in Schedule C and for so long as those conditions are met.

SCHEDULE A

Central Equity Limited ABN 27 006 708 738

SCHEDULE B

A share buy-back scheme offered or to be offered on or around 25 July 2005 to all Shareholders which:

1. is substantially in the terms contemplated by the draft offer document provided to ASIC on 9 June 2005 ; and
2. complies with the conditions in subsection 257B(2) of the Act subject to subsection 257B(3) of the Act, except:
 - (a) that Central Equity does not comply with paragraph (a) of subsection 257B(2) of the Act but rather makes Buy-Back Invitations which relate only to Shares;
 - (b) that Central Equity does not comply with paragraph (b) of subsection 257B(2) of the Act, but rather invites all shareholders as at a specified record date (other than Excluded Foreign Shareholders) to Offer for sale to Central Equity any number of their Shares in accordance with the terms and conditions of the Buy-Back Invitations;
 - (c) that Central Equity does not comply with paragraph (c) of subsection 257B(2) of the Act but rather all Shareholders (other than Excluded Foreign Shareholders) have a reasonable opportunity to Offer for sale any number of their Shares to Central Equity in accordance with the terms and conditions of the Buy-Back Invitations;

Shareholders) to Offer their Shares to Central Equity for Central Equity to buy back those Shares on the same terms subject to:

- (i) each Shareholder having the ability to nominate a maximum number of Shares which they wish to Offer for sale to Central Equity;
- (ii) Shareholders with a Small Holding being required to Offer all of their Shares for sale to Central Equity; and
- (iii) a Scale Back Mechanism operating in the manner described in condition 2 of Schedule C to ensure that no shareholder is left with a non-Marketable Parcel of Shares.

SCHEDULE C

1. The terms of the proposed Buy-Back Invitations are approved by Shareholders by way of an ordinary resolution at a general meeting of Central Equity to be held on or about 12 July 2005, and Central Equity includes with the notice of meeting for that meeting a statement setting out all information known to it that is material to the decision how to vote on the resolution to approve the terms of the proposed Buy-Back Invitations (other than information which it would be unreasonable to require Central Equity to disclose because Central Equity had previously disclosed the information to its Shareholders).
2. Central Equity makes it a term of the Buy-Back Invitations that, if at the close of Offers, Central Equity has received Offers in aggregate for more than the Buy-Back Limit:
 - (a) Central Equity will buy back the first 250 Shares nominated by each acceptor, including all Small Holdings; and then
 - (b) the number of each acceptor's Shares that will be bought back will be reduced by the same proportion (pro rata), being the proportion needed to ensure that the number of Shares bought back does not exceed the Buy-Back Limit,

except that, where this scale back mechanism would otherwise result in an acceptor being left with a holding which is less than a Marketable Parcel of Shares, then Central Equity will buy back all of that acceptor's Shares prior to commencing the pro rata reduction.
