**Australian Securities and Investments Commission  
Corporations Act 2001 – Subsections 601QA(1)(b) and 601QA(1)(a) -  
Declaration and Exemption**

1. Under paragraph 601QA(1)(b) of the *Corporations Act 2001* (*Act*) the Australian Securities and Investments Commission (*ASIC*) declares that Chapter 5C of the Act applies to the person specified in Schedule A in the case set out in Schedule B as if section 601GAA of the Act as notionally inserted into the Act by ASIC Class Order [CO 05/26] were modified or varied as follows:
  - (a) after subsection 601GAA(3), insert:

”(3A) An issue is taken to comply with subsection (3)(g) where the responsible entity:

    - (a) offers the interests in the scheme to some members earlier than to other members where:
      - (i) under the terms of the offer no member can be issued interests in the scheme under the offer before a time at which every member could accept the offer and be issued interests in the scheme under the offer; and
      - (ii) all members have a reasonable time, having regard to whether they are a retail client or not, to decide whether or not to accept the offer.”
2. Under paragraph 601QA(1)(a) of the Act, ASIC exempts the person specified in Schedule A in the case set out in Schedule B from paragraph 601FC(1)(d) of the Act to the extent that it would prevent the person from making an offer permitted by subsection 601GAA(3) of the Act as notionally inserted into the Act by ASIC Class Order [CO 05/26] because offers of interests in the registered scheme are made to some members earlier than offers of interests to other members or are able to be accepted by some members at an earlier date than other members.

### Conditions

5. Subject to paragraph 6, the issuer must not issue shares to a registered holder under the purchase plan unless the holder has, on application for the shares, provided the issuer with a certification to the effect that the total of the application price for the following does not exceed \$15,000:

custodian to apply for shares on their behalf under an arrangement similar to the purchase plan.

6. If the purchase plan involves custodian offers, the issuer must not issue shares to a custodian with a total application price exceeding \$15,000 in any 12 month period unless on application for the shares, the custodian certifies the following in writing to the issuer:
  - (a) that the custodian holds shares in the class on behalf of one or more other persons (each a *participating beneficiary*) on the date referred to in paragraph (a) of the definition of *purchase plan* who have subsequently instructed the custodian to apply for shares on their behalf under the purchase plan;
  - (b) the number of participating beneficiaries;
  - (c) the name and address of each participating beneficiary;

  - (e) in respect of each participating beneficiary, the number or the dollar amount of shares they instructed the custodian to apply for on their behalf;

7. The issuer must not issue shares under the purchase plan unless the issuer is reasonably satisfied that the total of the application price for the following will not exceed \$15,000 in relation to any person as a result of issuing the shares:
  - (a) the shares issued to the person under the purchase plan; and
  - (b) any other shares in the class issued to the person under an arrangement similar to the purchase plan in the 12 months before the date of issue under the purchase plan; and
  - (c) any other shares in the class issued to a custodian as a result of an instruction given by the person to the custodian to apply for shares on their behalf under the purchase plan; and

except to the extent that the person is issued with shares as a custodian under a custodian offer.

8. If:

- (a) a notice given under subsubparagraph 4(f)(ii) is defective; and

### Interpretation

9. For the purposes of this instrument:

- (a) **ASX** means ASX Limited ACN 008 624 691.

**custodial or depositary service** has the meaning given by section 766E of the Act.

**custodian** means a registered holder:

- (a) that holds an Australian financial services licence that:
  - (i) covers the provision of a custodial or depositary service; or
  - (ii) includes a condition requiring the holder to comply with the requirements of ASIC Class Order [CO 02/294]; or
- (b) that is exempt under:
  - (i) paragraph 7.6.01(1)(k) of the *Corporations Regulations 2001*; or
  - (ii) ASIC Class Order [CO 05/1270] to the extent that it relates to ASIC Class Order [CO 03/184],

from the requirement to hold an Australian financial services licence for the provision of a custodial or depositary service.

**custodian offer** means an offer to a registered holder to the extent that it is of the kind referred to in paragraph (b) of the definition of **purchase plan**.

**excluded order** means ASIC Class Orders [CO 98/100], [CO 98/101], [CO 98/104], [CO 98/1418], [CO 98/2395], [CO 99/90], [CO 00/2449], [CO 05/642], [CO 05/644] and [CO 06/441].

**IDPS** has the meaning given by ASIC Class Order [CO 02/294].

**IDPS contract** has the meaning given by ASIC Class Order [CO 02/294].

**operator** has the meaning given by ASIC Class Order [CO 02/294].

***purchase plan*** means an arrangement under which:

- (a) an offer is made to each registered holder of shares in the class on a date determined by the issuer, and whose address (as recorded in the register of members) is in a place in which, in the reasonable opinion of the issuer, it is lawful and practical for the issuer to offer and issue shares to that person;
- (b) an offer may enable a registered holder who is a custodian to acquire shares on behalf of a person (the ***beneficiary***) on whose behalf the custodian is holding shares in the class;
- (c) each offer is made on:
  - (i) the same terms and conditions:
    - (A) to the extent it is an offer to a registered holder to acquire shares on their own behalf; and
    - (B) to the extent (if any) it is an offer to a registered holder to acquire shares as a custodian on behalf of a beneficiary; and
  - (ii) a non-renounceable basis;
- (d) if offers of the kind referred to in subsubparagraph (c)(i)(B) are made—the terms and conditions on which a registered holder may acquire shares on their own behalf or as a custodian on behalf of a beneficiary are as nearly as practicable the same;
- (e) the issue price is less than the market price during a specified period in the 30 days before either the date of the offer or the date of the issue; and
- (f) the total application price for the shares acquired by a person on their own behalf and by a custodian on behalf of the person in any 12 month period does not exceed \$15,000.

***registered holder*** means a person recorded in the register of members of a body as a member of the body.

- (b) if 2 or more persons are recorded in the register of members as jointly holding shares in the body they are taken to be a single registered holder and a certification given by any of them for the purposes of paragraph 5 is taken to be a certification given by all of them.
- (c) if a custodian holds shares jointly on behalf of 2 or more persons:
  - (i) the \$15,000 limit applies jointly in relation to those persons as if the custodian held the shares on behalf of a single person; and
  - (ii) the custodian is taken to have been instructed to apply for shares on behalf of those persons if:
    - (A) the custodian has received such an instruction in accordance with the terms on which the shares are held; or

- (B) where the terms on which the shares are held do not cover the giving of instructions of this kind—the custodian has received such an instruction from any of those persons.
- (d) references to an issuer offering shares include the issuer inviting applications for the issue of the shares.
- (e) a notice is *defective* if the notice:
- (i) does not comply with sub-subsubparagraph 4(f)(ii)(D); or
  - (ii) is false in a material particular; or
  - (iii) has omitted from it a matter or thing the omission of which renders the notice misleading in a material respect.
- (f) an arrangement covered by ASIC Class Orders [CO 02/831] or [CO 02/832] is taken to be similar to a purchase plan.
- (g) an arrangement is not to be taken not to be similar to a purchase plan merely because:
- (i) only one of them involves custodian offers; or
  - (ii) they involve different maximum levels of applications by registered holders.
- (h) if:
- (i) the purchase plan involves custodian offers; and
  - (ii) shares in the class are held through an IDPS by a custodian; and
  - (iii) the operator of the IDPS holds the beneficial interests in the shares on behalf of a person (*IDPS client*) with whom the operator has entered into an IDPS contract,
- then this instrument applies as if:
- (iv) the custodian holds the shares on behalf of the IDPS client; and
  - (v) any instruction given by the IDPS client to the operator to acquire shares under the purchase plan on their behalf were an instruction given to the custodian; and
  - (vi) any shares applied for by the custodian as a result of an instruction given by the IDPS client to the operator were applied for on behalf of the IDPS client.
