purchase plan means an arrangement under which:

- (a) an offer is made to each registered holder of shares in the class on a date determined by the issuer, and whose address (as recorded in the register of members) is in a place in which, in the reasonable opinion of the issuer, it is lawful and practical for the issuer to offer and issue shares to that person;
- (b) an offer may enable a registered holder who is a custodian to acquire shares on behalf of a person (the *beneficiary*) on whose behalf the custodian is holding shares in the class;
- (c) each offer is made on:
 - (i) the same terms and conditions:
 - (A) to the extent it is an offer to a registered holder to acquire shares on their own behalf; and
 - (B) to the extent (if any) it is an offer to a registered holder to acquire shares as a custodian on behalf of a beneficiary; and
 - (ii) a non-renounceable basis;
- (d) if offers of the kind referred to in subsubparagraph (c)(i)(B) are made—the terms and conditions on which a registered holder may acquire shares on their own behalf or as a custodian on behalf of a beneficiary are as nearly as practicable the same;
- (e) the issue price is less than the market price during a specified period in the 30 days before either the date of the offer or the date of the issue; and

registered holder means a person recorded in the register of members of a body as a member of the body.

- (b) if 2 or more persons are recorded in the register of members as jointly holding shares in the body they are taken to be a single registered holder and a certification given by any of them for the purposes of paragraph 5 is taken to be a certification given by all of them.
- (c) if a custodian holds shares jointly on behalf of 2 or more persons:
 - (i) the \$15,000 limit applies jointly in relation to those persons as if the custodian held the shares on behalf of a single person; and

- (ii) the custodian is taken to have been instructed to apply for shares on behalf of those persons if:
 - (A) the custodian has received such an instruction in accordance with the terms on which the shares are held; or
 - (B) where the terms on which the shares are held do not cover the giving of instructions of this kind—the custodian has received such an instruction from any of those persons.
- (d) references to an issuer offering shares include the issuer inviting applications for the issue of the shares.
- (e) a notice is *defective* if the notice:
 - (i) does not comply with sub-subsubparagraph 4(f)(ii)(D); or
 - (ii) is false in a material particular; or

- (f) an arrangement covered by ASIC Class Orders [CO 02/831] or [CO 02/832] is taken to be similar to a purchase plan.
- (g) an arrangement is not to be taken not to be similar to a purchase plan merely because:
