**“601KEA Hardship withdrawals**

*Power to allow withdrawal in case of member hardship*

---

10-0714

- (1) Subject to this section, the responsible entity of a registered scheme may allow a member to withdraw (***hardship withdrawal***) from the scheme in accordance with a provision of the scheme's constitution that provides for the member to have a right to withdraw when the responsible entity is satisfied that:
- (a) the member has experienced hardship or is likely to experience hardship if the member is not allowed to withdraw; or
  - (b) where the member is an operator—a person (***instructor***) who has asked the operator to exercise a right to withdraw has experienced hardship or is likely to experience hardship if the operator is not allowed to withdraw; or
  - (c) where the member is dead—a beneficiary of the estate has experienced hardship or is likely to experience hardship if the executor or administrator of the estate is not allowed to withdraw.
- (1A) In this section, an ***operator*** means a person who is a member of the scheme in its capacity as responsible entity or custodian of a registered scheme, trustee of a trust, trustee or custodian of a superannuation entity within the meaning of the *Superannuation Industry (Supervision) Act 1993*, trustee of a self-managed superannuation fund within the meaning of the *Superannuation Industry (Supervision) Act 1993* or provider or acquirer in relation to a custodial arrangement as defined in section 10121A.
- (2) The responsible entity must not allow a hardship withdrawal unless the responsible entity is satisfied that:
- (a) following that withdrawal the scheme property would include sufficient liquid assets for the day to day operation of the scheme; and
  - (b) satisfying the hardship withdrawal request:
    - (i) would not cause the total amount of withdrawals to exceed the hardship withdrawal dollar limit; and
    - (ii) would not cause the total number of withdrawals to exceed the hardship withdrawal number limit; and
  - (c) any amount paid would not exceed the specific amount the subject of a hardship withdrawal request in respect of the hardship of the member, instructor or beneficiary (as applicable); and

10-0714

- (d) where paragraph (1)(b) applies—any amount paid on withdrawal to an operator will be paid to the instructor after deduction of any fees and charges payable to the operator; and

Note: In making any payment to an instructor, an operator must comply with any obligations under the terms of the relevant trust or arrangement under which it acts and other applicable laws. For example, the responsible entity of a registered scheme must comply with Part 5C.6 as modified by any relief applicable to that scheme and the trustee of a superannuation entity or self managed superannuation fund must comply with requirements under the *Superannuation Industry (Supervision) Act 1993*.

- (e) where paragraph (1)(c) applies—any amount paid on withdrawal to an executor or administrator of the estate will be paid to the beneficiary after deduction of any fees and charges payable to the executor or administrator.

(2A) For the purposes of paragraph (2)(b):

- (a) the **hardship withdrawal dollar limit** is:

- (i) if the hardship withdrawal request is an aged care withdrawal request—\$300,000 for any member, instructor or beneficiary (as applicable) in any calendar year;
- (ii) if the hardship withdrawal request is not an aged care withdrawal request:
- (A) \$100,000 for any member, instructor or beneficiary (as applicable) in any calendar year (not including any aged care withdrawal requests that have been satisfied in that same calendar year); and
- (B) where one or more aged care withdrawal requests have already been satisfied in the calendar year—\$300,000 for any member, instructor or beneficiary (as applicable) in any calendar year.

- (b) the **hardship withdrawal number limit** is:

- (i) if the hardship withdrawal request is an aged care withdrawal request and where 4 hardship withdrawal requests, which were not aged care withdrawal requests, have already been satisfied in the calendar year—5 hardship withdrawals for any member, instructor or beneficiary (as applicable) in any calendar year;

10-0714

- (ii) otherwise—4 hardship withdrawals for any member, instructor or beneficiary (as applicable) in any calendar year.

In this subsection:

**aged care** means residential care (within the meaning of section 41-3 of the *Aged Care Act 1997*) that is provided by a person or body in respect of which an approval under Part 2.1 of that Act is in force.

**aged care withdrawal request** means a hardship withdrawal request in relation to a requirement to make payments to secure, or remain in, aged care.
